Procurement Department

## **ADDENDUM 1**

**File: 1904-924-86-4912**

**Title: Natural Gas Operator Qualification Training**

---

**Question 1: How did the agency SAHA determine this participle training program?**

**Answer 1: The purpose of this training is to provide general and specific requirements for the qualification of pipeline personnel, both master metered and non-master metered.**

**Question 2: Would you know how many people selected are veterans and or returning citizens?**

**Answer 2: For this solicitation it is not relevant.**

**Question 3: Do we have the opportunities to receive a percentage of our fee agreement upfront? If so, what is the percentage 25%, 35%, or 50%?**

**Answer 3: Contractor(s) will only be allowed to invoice after services/goods have been rendered and accepted by SAHA.**

**Question 4: Internal/External- Do we perform the Field evaluation as a Master Evaluator and is included in the solicitation?**

**Answer 4: Yes**

**Question 5: Is the OQ training requested from SAHA Stand-up (in person instructor and presentation) training, or will computer based training be accepted?**

**Answer 5: Face to Face instruction in a classroom.**

**Question 6: Can you please explain what the "certification of payments to influence federal transactions" form is, we are not sure if we need to fill that out?**

**Answer 6: Please disregard as that does not apply for this engagement.**

818 S. FLORES ST. SAN ANTONIO, TEXAS 78204 www.saha.org

**Question 7: The entire program for SAHA was modified to only include tasks performed, in this current bid there are 3 tasks included that do not pertain to SAHA, do you wish to keep these in or can we modify to your specific needs? Tasks include: Operating the flame ionization unit, leak surveys and patrols and plastic pipe (poly) repair?**

**Answer 7: No, We have contractors for those tasks.**
