Procurement Department

## ADDENDUM # 1

To: File 1905-290-82-4925  
QQ for: Solar Power System for Urban Farm

---

### The following questions are asked:

**Question 1:** Is the system 4KW or 4KWH?

**Answer 1:** 4KW

**Question 2:** At which corner of 218 Garcia St will the array and shade structure stand?

**Answer 2:** Selected Contractor will work with the SAHA Project Manager on the exact location however the structure will be in close proximity to the existing garage structure.

**Question 3:** What are the dimensions on shaded structure, style (carport, pavilion)?

**Answer 3:** Dimensions should mirror solar system, with a little room to expand. Structure should look more like a pavilion.

**Question 4:** Is it mandatory to be a registered contractor with CPS ENERGY?

**Answer 4:** In order to receive rebates the contractor must be registered through CPS.

**Question 5:** What is the power of the following items: 2 Greenhouses; 2 evaporative coolers and 1 walk-in cooler?

**Answer 5:** See attached information.
