### Update and discussion regarding the Elderly and Disabled Services (EDS) Program

Mr. Adrian Lopez, Director of Community Development Initiatives, stated that 637 community activities have been hosted through the first half of 2017, and his staff is meeting expectations for the objective to improve quality of life for residents. Mr. Lopez provided accomplishments achieved in providing access to resources and non-SAHA programs to seniors such as the HOPE (Healthy Options Program for the Elderly), which services 836 residents and the Supplemental Nutrition Programs, which serves 234 residents. The targets have either been exceeded or met. Regarding the objective to improve resident knowledge, SAHA staff has conducted health and resource fairs, smart cooking classes and diabetic classes for the residents; however, Mr. Lopez reported the department is a little short of meeting their goal. Mr. Lopez also provided figures regarding the objective of facilitating residents to achieve independent living and stated 1,416 EDS residents have been assessed; 143 senior residents received angio screens; and 18 residents received mammograms.

### Update and discussion regarding Victoria Plaza Relocation and Case Management

Mr. Lopez and Brandee Perez, Director of Federal Housing Programs, provided an update regarding the relocation of residents and said that currently 114 residents have relocated, 10 residents have accepted housing elsewhere, and 23 are pending relocation. The set deadline for relocation is October 31, 2017, and through coordinated efforts it is projected that all residents will be relocated by the end of September 2017.

Mr. Lopez also said the on-site case manager has been working closely with property management to ensure a seamless transition and to ensure the residents continue to receive the services they currently have. The majority of needs that have been identified to date, include the following: locating a new doctor; obtaining a new provider; transferring medication

to the nearest accessible pharmacy; coordinating meal services, commodities, and community resources; and coordinating transportation options.

### Update and discussion regarding the Client Services Area Expansion

Ms. Perez informed the Committee of the expansion of client services. SAHA owns and manages approximately 6,000 Public Housing units and administers 13,000 Section 8 vouchers. The Client Services Department receives a high volume of calls, averaging 2,425 per month in 2017. On June 5, 2017, the Assisted Housing Programs (AHP) Department and Public Housing (PH) Department unified under the Director of Federal Housing Programs (FHP) to actively work to improve daily client services and address the issues presented by all program participants. The addition of an Assistant Client Services Manager position dedicated to Public Housing clients will allow the FHP department to expand effective client service strategies to both programs.

For the BiblioTech East project, Ms. Robles reported that the companies MBS and SLS have stated that they will not meet the September 30, 2017, deadline as previously committed and that the final Certificate of Occupancy will not be delivered until October 11, 2017. The county estimated it would take three months to complete the construction finish-out; therefore, the grand opening has been moved to January or February of 2018.

### Item 5: Consideration and approval regarding Resolution 5764, in support of authorizing the San Antonio Housing Finance Corporation for the proposed issuance of tax exempt bonds and authorizing such corporation to apply for volume cap for private activity bonds from the Texas Bond Review Board for the financing of Tampico Apartments and Mira Vista Apartments

Mr. Timothy Alcott, Real Estate and Legal Services Officer, explained that the San Antonio Housing Finance Corporation (SAHFC) is an affiliate entity to the Housing Authority of the City of San Antonio, Texas (SAHA). SAHA is working with developers to build two apartment complexes at I-35 and Tampico Street and also at Culebra Road and Mira Vista Street. Part of the financing will be through 4% tax credits. To issue 4% tax credits, the SAHFC must first apply for an allocation of volume cap for private activity bonds, which if received, leads to a non-competitive application process for the 4% tax credits. To promote certain private activities (which are deemed to benefit the public), each state is authorized to allow the issuance of a set amount of private activity "volume cap" tax-exempt bonds. The volume cap bonds can be allocated to finance multifamily housing projects. Projects that are financed (whether new construction or acquisition/rehab) in part by tax exempt bonds, are eligible for 4% tax credits only. Mr. Alcott also explained that the bonds will assist with the financing of the two apartment complexes. The total financing will be brought to the Board for approval at a later date.

**Motion:** Commissioner Caballero moved to approve Resolution 5764. Commissioner Clack seconded the motion. Approved.

Item 6: Resolution 5748, authorizing the sale of approximately 3.13 acres of vacant land located on Rosary Street, between S. Garcia Street and S. Rio Grande Street, in San Antonio, TX; the sale of such property to the highest bidder and the execution of any and all documents necessary to consummate such transaction

Resolution 5748, was brought back again as an agenda item. Mr. Thomas Roth, Director of Asset Management provided details concerning the 3.13 acre parcel of land which is zoned R-6, Residential Single-Family District (permitted uses of single family dwelling detached with minimum lot size of 5,000 square feet, foster family home, nursery, public and private schools). SAHA received offers of \$150,000 and \$190,000, and both offers were rejected, given the current appraised value of \$220,000. After further negotiations, the buyer submitted a full price offer of \$220,000. Staff is recommending approval of the sale of this non strategic asset at the current appraised value. Mr. Roth also provided the financial impact of the sale of the property. It is estimated that this transaction will generate approximately \$204,600 after payment of transaction related costs. The net sale proceeds will be utilized to fund capital projects to preserve affordable housing units in San Antonio Housing Authority's Public Housing portfolio.

In addition to the overview, and at the request of the Board of Commissioners, Mr. Roth assured the Board that staff has completed further due diligence on the prospective purchaser and discussed the proposed sale with City Council representative William "Cruz" Shaw. Councilman Cruz is pleased with the positive changes occurring in his district and SAHA's commitment to provide affordable housing alternatives to his constituents. While details on the future development of the 3.13 acre parcel have not been finalized, there did not appear to be resistance to the building of affordable housing on this parcel.

Commissioner Caballero still expressed her concerns regarding SAHA's current assets and also inquired if if the value of the property would increase if additional property was combined in the sale. Mr. Roth informed Commissioner Caballero that the reason homes are not being developed on the property is due to noise abatement issues as a result to being so close to the railroad tracks.

**Motion:** Commissioner Clack moved to approve Resolution 5748. Commissioner Weaver seconded the motion. Approved.

Item 7: Resolution 5761, authorizing the modification and extension of a revolving line of credit in the original face amount of \$3,000,000 from the Frost National Bank and authorizing the execution and delivery on behalf of San Antonio Housing Facility Corporation (SAHFC) of all required documents, certificates and agreements

Mr. Ed Hinojosa, Chief Financial Officer, and Diana Kolodziej Fiedler, Director of Finance and Accounting, informed the Board that the term of the loan is for three years collateralized by the Deed of Trust on land and improvements at 818 South Flores St., San Antonio Texas, 78204. They also provided examples of activities the line of credit may be used for to include providing funding for the development of future affordable housing projects, and to provide short-term funding for renovations and/or improvements at the Affordable Housing communities and at the Central Office building. Furthermore, they explained the financial impact and that the agency has a need to extend and modify the revolving line of credit to be used for short-term borrowing needs. SAHA has received a Preliminary Discussion Sheet from Frost Bank to extend and modify the Facility Corporation's \$3,000,000 revolving line of credit. The loan term will be for a period of three years at a rate equal to prime plus .25%. The all-in rate as of June 15, 2017, is 4.50%. A processing fee in the amount of \$3,000 will be payable by Borrower in immediately available funds upon the closing of the Loan

### Item 8: Update and discussion regarding Converse Ranch Roof Replacement and Foundation Repair

Kristi Baird, Assistant Director of Beacon Communities, provided an update of the Converse Ranch Apartments and the damages sustained as a result of the 2016 hail storms. Beacon communities sustained \$7.5M in damages over nine communities in both managed and contracted portfolios. Damage was reported to the roofs, trim, windows and siding. Management has been tasked with providing three comparable bids for full replacement of the roofs to include ventilation, gutters, and fascia, as needed. Converse Ranch I has recouped \$144,040.89 in insurance proceeds. Management is moving forward with JNational, the company who submitted the lowest bid, at \$212,044.00. Converse Ranch II has recouped \$174,221.00 in insurance proceeds. Management is moving forward with JNational, the company who submitted the lowest bid, at \$385,632.00. Building IV at Converse Ranch II requires the foundation to be stabilized and interior make ready services, due to significant interior cracking and foundation failure. Management is moving forward with Olshan Foundation Solutions, the lowest bid, at \$74,450.00. Additionally, management is moving forward with Silverhorn Contractor Services, which provided the lowest bid at \$5,009.77 for detailed make ready services.

### Item 9: Update and discussion regarding the Beacon Management Transition

Ms. Baird provided an update regarding SAHA's recommendation to transition all third party managed communities to SAHA's Beacon Communities. Ms. Baird provided the history of outsourced management, which began in 2012 and explained that the decision was based on several factors identified by a third party consultant and included both operational and social factors. During the last five years, the former "Non Profit" department has embarked on rebranding to Beacon Communities and strategic training for staff progression planning. These actions have positioned the team to operate as a professional management company in order to provide exceptional service to residents.

Ms. Baird also explained that the recommendation of transitioning all third party managed communities to SAHA's Beacon Communities would allow for significant savings based on historical data for Management Fees paid. Staff has estimated a savings of \$646,710.00 for the remaining properties currently being managed outside of SAHA. This does not include an additional potential savings of \$223,200.00, if the three Partnership Communities are also brought under the management umbrella of Beacon. With the additional communities, there is a potential total savings of \$869,910.00.

# Item 10: Resolution 5762, authorizing the expenditure of additional funds for reconstruction of several canopy roofs at Lincoln Heights Courts to Garland/DBS, Inc., through the U.S. Communities Government Purchasing Alliance, for an amount not to exceed \$1,221,066.00

Mr. Hector Martinez, Director of Construction Services and Sustainability, provided an update regarding the reconstruction of several canopy roofs located at the Lincoln Heights Courts. Upon demolition of the building's canopy-type roof covers, severe water damage and wood rot was discovered in the structural framing requiring total reconstruction of several canopy roofs. This unforeseen condition is most likely to be present in most of the remaining canopy roofs in excess of available contingency funds required for comprehensive repairs throughout. This is a request for additional funding, up to the maximum allowed by law of 25% of the original contract value. Based on calculated analysis of the first section of canopy reconstruction, a not-to-exceed amount of \$1,221,066.00 will provide sufficient funds for these additional repairs. This project will be funded by MTW funds.

Item 11: Resolution 5765, authorizing the award of contracts for pest control services for various SAHA Public Housing and administrative properties to Pest Management, Inc. (DBE) and Pied Piper Pest Control (ESBE, HABE, MBE, SBE, Section 3 Business) for an annual cumulative amount not to exceed \$500,000.00; both for a period of one year with the option to renew up to four additional one-year terms

Mr. Steven Morando, Director of Procurement and General Services, and Ms. Brandee Perez, Director of Federal Housing Programs, informed the Board that SAHA requires the services of a vendor to provide pest control services at various SAHA properties to include Public Housing and scattered site units, SAHA's Central Office and Brazos and Tampico warehouses. On August 30, 2017, SAHA issued an "Invitation For Bids" (IFB) #1707-910-59-4694 for Pest Control Services for various SAHA properties, which closed on September 8, 2017. Pest Management, Inc. and Pied Piper Pest Control are the lowest responsive and responsible bidders and are being recommended for contract award.

The current award recommendation for these pest control services is not expected to exceed an annual amount of \$500,000.00 and will be funded through the approved operating budgets. The recommended award amount includes the cost for routine services every sixty days for both Public Housing and scattered site units, and every two weeks for the common areas. Central Office and the Brazos and Tampico warehouses will be serviced monthly.

To educate the residents and staff of the required pest control services and to ensure that the pest control companies are in compliance with the services contracted, staff has also created a Public Housing Properties Staff Guide and a Public Housing Properties Residents Fact Sheet.

Item 3: Resolution 17FIN-10-19, in support of authorizing the San Antonio Housing Finance Corporation to issue up to \$19,000,000 of tax exempt bonds and authorizing such corporation to apply for volume cap for private activity bonds from the Texas Bond Review Board for the financing of Tampico Apartments located at 200 Tampico Street

Timothy E. Alcott, Real Estate and Legal Services Officer, updated the Board and said the San Antonio Housing Finance Corporation (SAHFC) is an affiliate entity to the Housing Authority of the City of San Antonio, Texas (SAHA). SAHA is working with 210DG, a developer, to build an apartment complex at I-35 and Tampico. Part of the financing will be through 4% tax credits. To issue 4% tax credits, the SAHFC must first apply for an allocation of volume cap for private activity bonds, which if received, leads to a non-competitive application process for the 4% tax credits. To promote certain private activities (which are deemed to benefit the public), each state is authorized to allow the issuance of a set amount of private activity "volume cap" tax-exempt bonds. The volume cap bonds can be allocated to finance multifamily housing projects. Projects that are financed (whether new construction or acquisition/rehab) in part by tax exempt bonds are eligible for 4% tax credits only.

The financial impact is that the bonds will assist with financing of the apartment complex. The total financing will be brought to the Board for approval at a later date.

Mr. Alcott updated the Board and stated that SAHA will be soliciting a developer to assist in developing 5700 Culebra Road. Part of the financing for the project will be through 4% tax credits. To issue 4% tax credits, the SAHFC must first apply for an allocation of volume cap for private activity bonds, which if received, leads to a non-competitive application process for the 4% tax credits. RESOLUTION 5748, AUTHORIZING THE SALE OF APPROXIMATELY 3.13 ACRES OF VACANT LAND LOCATED ON ROSARY STREET, BETWEEN S. GARCIA STREET AND S. RIO GRANDE STREET IN SAN ANTONIO, TX; THE SALE OF SUCH PROPERTY TO THE HIGHEST BIDDER; AND THE EXECUTION OF ANY AND ALL POCUMENTS NECESSARY TO CONSUMMATE SUCH TRANSACTION David Nisivoccia President and CEO

### **REQUESTED ACTION:**

Consideration and approval regarding Resolution 5748, authorizing the sale of approximately 3.13 acres of vacant land located at Rosary Street, between S. Garcia Street and S. Rio Grande Street in San Antonio, TX; the sale of such property to the highest bidder; and execution of any and all documents necessary to consummate such transaction.

#### FINANCIAL IMPACT:

The broker has presented a purchase contract from NoStandard Properties, LLC, for \$220,000. The most recent appraisal performed by The Glen Company, valued the land at \$220,000, as of July 26, 2016. It is estimated that this transaction will generate approximately \$204,600 after payment of transaction related costs. The net sale proceeds will be utilized to fund capital projects to preserve affordable housing units in San Antonio Housing Authority's Public Housing portfolio.

#### SUMMARY:

The San Antonio Housing Authority has developed a five-year asset management plan to evaluate capital investment in the Public Housing and Beacon portfolios. As part of this analysis, SAHA staff has identified real estate holdings that are not critical to its mission statement or implementation of its strategic plan.

The subject parcel was once part of the East Terrace Public Housing development, which was demolished to make way for the construction of single family homes. A portion of property was redeveloped using Hope VI grant funds. The area was redeveloped with 119 single family homes, which were sold to individuals that met income eligibility requirements. The remaining 18.2 acres were not developed due to a lack of funding.

In 2014, SAHA sold 12.02 acres of the remaining parcel to the developer of the IDEA School. At the November 2016, Operations and Choice Neighborhood Committee meeting, staff updated the committee, that two parcels were being listed for sale: a 2.52 acre parcel and the subject parcel. In December 2016, the parcels were listed with Cano & Company (a commercial broker currently under contract with SAHA). The 2.52 acres parcel was sold at the current appraised value of \$215,000 and has since closed.

The 3.13 acre parcel is zoned R-6, Residential Single-Family District (permitted uses of single family dwelling detached with minimum lot size of 5,000 square feet, foster family home,

### SAN ANTONIO HOUSING AUTHORITY

nursery, public and private schools). SAHA received offers of \$150,000 and \$190,000, and both offers were rejected, given the current appraised value of \$220,000. After further negotiations, the buyer submitted a full price offer of \$220,000. Staff is recommending approval of the sale of this non strategic asset at the current appraised value.

### UPDATE:

At the request of the Board of Commissioners, staff has completed further due diligence on the prospective purchaser and discussed the proposed sale with City Council representative William "Cruz" Shaw.

On September 25, 2017, staff met with Juan Carlos Suarez and Amy Domit, the principals of NoStandard Properties, LLC. They are a small minority owned business focused on affordable single family housing and multifamily properties located predominantly in South Texas. They have been involved in the development of approximately 148 affordable single family homes in the \$85,000 to \$115,000 price range. They also have developed or rehabilitated eight multifamily properties totaling 505 units. They have a management company (Domit Apartments) that manages their multifamily properties and serves as a third party fee manager on other properties. The combined multifamily portfolio exceeds 800 units.

Mr. Suarez has been involved in real estate ownership/development for over 24 years. He holds an MBA from the UCLA Anderson School of business. He is an active member in the Texas Apartment Association and Rio Grande Valley Apartment Association. He is a resident of San Antonio, and is focused on developing affordable housing options on the east side. He is interested in working with the community to ensure that the design and density of his project is in keeping with the residential standards for the neighborhood.

Our President and CEO has conducted a preliminary meeting with Councilman Shaw. The conversation focused primarily on the Choice Neighborhood development project. Overall, Councilman Cruz is pleased with the positive changes occurring in his district and SAHA's commitment to provide affordable housing alternatives to his constituents. While details on the future development of the 3.13 acre parcel have not been finalized, there did not appear to be resistance to the building of affordable housing on this parcel.

### STRATEGIC OBJECTIVE:

Preserve and improve existing affordable housing resources and opportunities.

#### **MODIFICATION, RENEWAL AND EXTENSION AGREEMENT**

§ §

§

THE STATE OF TEXAS

COUNTY OF BEXAR

THIS MODIFICATION, RENEWAL AND EXTENSION AGREEMENT ("<u>Agreement</u>") to be effective as of October 14, 2017, ("Effective Date") is entered into by and between **FROST BANK**, a Texas state bank, formerly known as The Frost National Bank ("<u>Lender</u>"), and **SAN ANTONIO HOUSING FACILITY CORPORATION**, a Texas non-profit corporation ("<u>Borrower</u>").

#### **RECITALS**:

A. Lender is the sole owner and holder of that one certain Revolving Promissory Note (the "<u>Note</u>") dated October 14, 2008, executed by Borrower and payable to the order of Lender in the original principal amount of Three Million and No/100 Dollars (\$3,000,000.00).

B. The Note is secured by (i) a Deed of Trust, Security Agreement - Financing Statement executed by Borrower to Jimmy R. Locke, Trustee, dated October 14, 2008 (the "Deed of Trust"), filed for record at Volume 13741, Page 1514 of the Real Property Records of Bexar County, Texas, covering certain real property located in said county as more particularly described in Exhibit A attached hereto (the "Property"), and (ii) an Assignment of Leases and Rents covering the Property executed by Borrower, dated October 14, 2008 (the "Assignment"), filed for record at Volume 13741, Page 1501 of the Real Property Records of Bexar County, Texas. The Note, the Deed of Trust, the Assignment and such other documents, instruments and agreements evidencing, securing or pertaining to the Note and all modifications, renewals and extensions thereof are hereafter collectively referred to as the "Loan Documents."

C. The Note was modified, renewed and extended pursuant to (i) that certain Modification, Renewal and Extension Agreement executed by Borrower, dated October 14, 2011, and filed for record at Volume 15289, Page 276 of the Real Property Records of Bexar County, Texas, and (ii) that certain Modification, Renewal and Extension Agreement executed by Borrower, dated October 14, 2014, and filed for record at Volume 17292, Page 909 of the Real Property Records of Bexar County, Texas.

D. The Note matured in accordance with its terms on October 14, 2017, and Borrower has requested that Lender extend the maturity date of the Note.

E. Lender has agreed to such requests, subject to the terms and conditions set forth herein.

NOW, THEREFORE, for and in consideration of Ten Dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged and agreed, Borrower and Lender hereby agree as follows:

1. <u>Acknowledgment of Amount of Credit</u>. The parties hereto acknowledge that (a) the total principal amount which Lender was originally obligated to advance to Borrower pursuant to the Note was THREE MILLION AND NO/100 DOLLARS (\$3,000,000.00); (b) as of the Effective Date hereof, (i) the outstanding current principal balance of the Note is <u>\$\_TBD</u>, and which has been advanced by Lender to Borrower, and (ii) there remains a balance of <u>\$\_TBD</u> to be advanced to Borrower pursuant to and in accordance with the terms and provisions of the Note.

2. <u>Renewal and Extension of Maturity</u>. Based upon Borrower's payment of \$3,000.00 to Lender as a processing fee, the Note is hereby renewed and the maturity of the Note is hereby extended to October 14, 2020 (the "<u>Revised Maturity Date</u>").

3. <u>*Required Payments.*</u> From and after the effective date of this Agreement, principal and interest under the Note shall be due and payable as follows:

Interest only shall be due and payable monthly as it accrues on the 1st day of each and every calendar month, beginning November 1, 2017, and continuing regularly and monthly thereafter until October 14, 2020, when the entire amount hereof, principal and interest then remaining unpaid, shall be then due and payable; interest being calculated on the unpaid principal each day principal is outstanding and all payments made credited to any collection costs and late charges, to the discharge of interest accrued and to the reduction of the principal, in such order as Lender shall determine.

4. <u>Interest Rate</u>. The annual interest rate provided for in the Note shall be amended such that interest shall be charged from and after the effective date of this Agreement as follows:

Interest on the outstanding and unpaid principal balance hereof shall be computed at a per annum rate equal to the lesser of (a) a rate equal to the Prime Rate, plus one-

quarter percent (0.25%) per annum, or (b) the highest rate permitted by applicable law, but in no event shall interest contracted for, charged or received hereunder plus any other charges in connection herewith which constitute interest exceed the maximum interest permitted by applicable law, said rate to be effective prior to maturity (however such maturity is brought about). The term "Prime Rate," as used herein, shall mean the maximum "Latest" "U.S." prime rate of interest per annum published from time to time in the Money Rates section of The Wall Street Journal (US Edition) or in any successor publication to The Wall Street Journal. Borrower understands that the Prime Rate may not be the best, lowest, or most favored rate of Lender or The Wall Street Journal, and any representation or warranty in that regard is expressly disclaimed by Lender. Borrower acknowledges that (i) if more than one U.S. prime rate is published at any time by The Wall Street Journal, the highest of such prime rates shall constitute the Prime Rate hereunder, and (ii) if at any time The Wall Street Journal ceases to publish a U.S. prime rate, Lender shall have the right to select a substitute rate that Lender determines, in the exercise of its reasonable commercial discretion, to be comparable to such prime rate, and the substituted rate as so selected, upon the sending of written notice thereof to Borrower, shall constitute the Prime Rate hereunder. Upon each increase or decrease hereafter in the Prime Rate, the rate of interest upon the unpaid principal balance hereof shall be increased or decreased by the same amount as the increase or decrease in the Prime Rate, such increase or decrease to become effective as of the day of each such change in the Prime Rate and without notice to Borrower or any other person.

Interest shall be computed on a per annum basis of a year of 360 days and for the actual number of days elapsed, unless such calculation would result in a rate greater than the highest rate permitted by applicable law, in which case interest shall be computed on a per annum basis of a year of 365 days or 366 days in a leap year, as the case may be.

Controlling Agreement. No provisions of this Agreement or the Loan Documents 5. shall require the payment or permit the collection, application or receipt of interest in excess of the maximum permitted by applicable state or federal law. If any excess of interest in such respect is herein or in any such other instrument provided for, or shall be adjudicated to be so provided for herein or in any such instrument, the provisions of this paragraph shall govern, and neither Borrower nor any endorsers of the Note nor their respective successors, assigns or personal representatives shall be obligated to pay the amount of such interest to the extent it is in excess of the amount permitted by applicable law. It is expressly stipulated and agreed to be the intent of Borrower and Lender to at all times comply with the usury and other laws relating to the Loan Documents and any subsequent revisions, repeals or judicial interpretations thereof, to the extent applicable thereto. In the event Lender or other holder of the Note ever receives, collects or applies as interest any such excess, such amount which would be excessive interest shall be applied to the reduction of the unpaid principal balance of the Note and, if upon such application the principal balance of the Note is paid in full, any remaining excess shall be forthwith paid to Borrower and the provisions of the Loan Documents shall immediately be deemed reformed and the amounts

thereafter collectible thereunder reduced, without the necessity of execution of any new document, so as to comply with the then applicable law, but so as to permit the recovery of the fullest amount otherwise called for thereunder. In determining whether or not the interest paid or payable under any specific contingency exceeds the maximum interest allowed to be charged by applicable law, Borrower and Lender or other holder hereof shall, to the maximum extent permitted under applicable law, amortize, prorate, allocate and spread the total amount of interest throughout the entire term of the Note so that the amount or rate of interest charged for any and all periods of time during the term of the Note is to the greatest extent possible less than the maximum amount or rate of interest allowed to be charged by law during the relevant period of time. Notwithstanding any of the foregoing, if at any time applicable laws shall be changed so as to permit a higher rate or amount of interest to be charged than that permitted prior to such change, then unless prohibited by law, references in the Note to "applicable law" for purposes of determining the maximum interest or rate of interest that can be charged shall be deemed to refer to such applicable law as so amended to allow the greater amount or rate of interest.

6. <u>Release and Waiver of Claims</u>. In consideration of (i) the modification of certain provisions of the Note, as herein provided, and (ii) the other benefits received by Borrower hereunder, Borrower hereby RELEASES, RELINOUISHES and forever DISCHARGES Lender, as well as its predecessors, successors, assigns, agents, officers, directors, employees and representatives, of and from any and all claims, demands, actions and causes of action of any and every kind or character, past or present, which Borrower may have against Lender and its predecessors, successors, assigns, agents, officers, directors, employees and representatives arising out of or with respect to (a) any right or power to bring any claim against Lender for usury or to pursue any cause of action against Lender based on any claim of usury, and (b) any and all transactions relating to the Loan Documents occurring prior to the date hereof, including any loss, cost or damage, of any kind or character, arising out of or in any way connected with or in any way resulting from the acts, actions or omissions of Lender, and its predecessors, successors, assigns, agents, officers, directors, employees and representatives, including any breach of fiduciary duty, breach of any duty of fair dealing, breach of confidence, breach of funding commitment, undue influence, duress, economic coercion, conflict of interest, negligence, bad faith, malpractice, intentional or negligent infliction of mental distress, tortious interference with contractual relations, tortious interference with corporate governance or prospective business advantage, breach of contract, deceptive trade practices, libel, slander or conspiracy, but in each case only to the extent permitted by applicable law.

7. <u>*Reaffirmation of Representations, Etc.*</u> Borrower hereby reaffirms to Lender each of the representations, warranties, covenants and agreements of Borrower set forth in the Loan Documents.

8. <u>Enforceable Obligations</u>. Borrower hereby ratifies, affirms, reaffirms, acknowledges, confirms and agrees that the Loan Documents represent valid and enforceable obligations of Borrower, and Borrower further acknowledges that there are no existing claims, defenses, personal or otherwise, or rights of setoff whatsoever with respect to the Note, and Borrower further acknowledges and represents that no event has occurred and no condition exists

which would constitute a default under the Loan Documents or this Agreement, either with or without notice or lapse of time, or both.

9. <u>No Release of Liens</u>. This Agreement in no way acts as a release or relinquishment of the liens, security interests and rights (the "Liens") created or evidenced by the Loan Documents. The Liens are hereby ratified and confirmed by Borrower in all respects and are extended to secure (i) the indebtedness created or described in the Loan Documents, including without limitation, principal amount of the Note, (ii) all interest, charges and other sums payable with respect thereto, and (iii) the performance of all other obligations under the Loan Documents.

10. <u>Additional Renewals and Extensions</u>. Notwithstanding anything to the contrary contained herein or inferred hereby or in any other instrument executed by Borrower or in any other action or conduct undertaken by Borrower on or before the date hereof, the agreements, covenants and provisions contained herein shall constitute the only evidence of Lender's consent to extend the terms and provisions of the Loan Documents in the manner set forth herein. No express or implied consent to any further extensions and/or modifications involving any of the matters set forth in this Agreement or otherwise, shall be inferred or implied from Lender's execution of this Agreement. Further, Lender's execution of this Agreement shall not constitute a waiver (either express or implied) of the requirement that any further extensions and/or modifications of the Loan Documents shall require the express written approval of Lender, no such approval (either express or implied) having been given as of the date hereof.

11. <u>*Miscellaneous*</u>. Except as modified hereby, all provisions of the Loan Documents shall continue in full force and effect, and the Borrower acknowledges and reaffirms its liability to Lender thereunder. In the event of any inconsistency between this Agreement and the terms of the Loan Documents, this Agreement shall govern.

(a) Borrower hereby agrees to pay all costs and expenses incurred by Lender in connection with the execution and administration of this Agreement and the modification of the Loan Documents including, but not limited to, all appraisal costs, title insurance costs, legal fees incurred by Lender and filing fees.

(b) Any default by Borrower in the performance of its obligations herein contained shall constitute a default under the Loan Documents and shall allow Lender to exercise all of its remedies set forth in the Loan Documents.

(c) Lender does not, by its execution of this Agreement, waive any rights it may have against any person not a party to this Agreement.

(d) In case any of the provisions of this Agreement shall for any reason be held to be invalid, illegal or unenforceable, such invalidity, illegality or unenforceability shall not affect any other provision hereof, and this Agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

This Agreement is executed and delivered as an incident to a lending transaction (e) negotiated and consummated in Bexar County, Texas, and shall be governed by and construed in accordance with the laws of the State of Texas. Borrower, for itself and its successors and assigns, hereby irrevocably (a) submits to the nonexclusive jurisdiction of the state and federal courts in Texas, (b) waives, to the fullest extent permitted by law, and objection that it may now or in the future have to the laying of venue of any litigation arising out of or in connection with any Loan Document brought in the District Court of Bexar County, Texas, or in the United States District Court for the Western District of Texas, San Antonio, Division, (c) waives any objection it may now or hereafter have as to the venue of any such action or proceeding brought in such court or that such court is an inconvenient forum, and (d) agrees that any legal proceeding against any party to any Loan Document arising out of or in connection with any of the Loan Documents may be brought in one of the foregoing courts. Borrower agrees that service of process upon it may be made by certified or registered mail, return receipt requested, at its address specified herein. Nothing herein shall affect the right of Lender to serve process in any other manner permitted by law or shall limit the right of Lender to bring any action or proceeding against Borrower or with respect to any of Borrower's property in courts in other jurisdictions. The scope of each of the foregoing waivers is intended to be all encompassing of any and all disputes that may be filed in any court and that relate to the subject matter of this transaction, including, without limitation, contract claims, tort claims, breach of duty claims, and all other common law and statutory claims. Borrower acknowledges that these waivers are a material inducement to Lender's agreement to enter into agreements and obligations evidenced by the Loan Documents, that Lender has already relied on these waivers and will continue to rely on each of these waivers in related future dealings. The waivers in this section are irrevocable, meaning that they may not be modified either orally or in writing, and these waivers apply to any future renewals, extensions, amendments, modifications, or replacements in respect of the applicable Loan Document. In connection with any litigation, this Agreement may be filed as a written consent to a trial by the court.

(f) This Agreement shall be binding upon and inure to the benefit of Lender, Borrower and their respective successors, assigns and legal representatives.

(g) Borrower hereby acknowledges and agrees that it has entered into this Agreement of its own free will and accord and in accordance with its own judgment after advice of its own legal counsel, and states that it has not been induced to enter into this Agreement by any statement, act or representation of any kind or character on the part of the parties hereto, except as expressly set forth in this Agreement.

(h) To facilitate execution, this Agreement may be executed in as many counterparts as may be convenient or required. It shall not be necessary that the signature and acknowledgment of, or on behalf of, each party, or that the signature and acknowledgment of all persons required to bind any party, appear on each counterpart. All counterparts shall collectively constitute a single instrument. It shall not be necessary in making proof of this Agreement to produce or account for more than a single counterpart containing the respective signatures and acknowledgment of, or on behalf of, each of the parties hereto. Any signature and acknowledgment page to any counterpart may be detached from such counterpart without impairing the legal effect of the signatures and acknowledgments thereon and thereafter attached to another counterpart identical thereto except having attached to it additional signature and acknowledgment pages.

#### **REQUESTED ACTION:**

Consideration and approval regarding Resolution 5762, authorizing the expenditure of additional funds for reconstruction of several canopy roofs at Lincoln Heights Courts to Garland/DBS, Inc., through the U.S. Communities Government Purchasing Alliance, for an amount not to exceed \$1,221,066.00.

#### FINANCIAL IMPACT:

The cost for reconstruction of the canopy roofs is not expected to exceed an amount of \$1,221,066.00. This project will be funded by MTW funds.

#### SUMMARY:

The Lincoln Heights Courts is a family apartment complex built in 1940, and is located on the westside of San Antonio. The complex is comprised of one and two story concrete buildings, with a total of 338 apartments, sixteen of which are ADA accessible. Due to the age and condition of the roofs at this complex, along with the damage sustained from a severe hail storm that struck San Antonio on April 12, 2016, SAHA required the services of a contractor to provide comprehensive roof replacement at this complex.

On June 1, 2017 (Item 9), we received Board approval to enter into an Agreement with Garland/DBS, Inc., through the U.S. Communities Government Purchasing Alliance, for roof replacement at Lincoln Heights Courts for an amount not to exceed \$4,884,264.00, to include a base bid amount of \$4,784,264.00, plus a contingency in the amount of \$100,000.00 that would only be used, if necessary.

Upon demolition of the building's canopy-type roof covers, severe water damage and wood rot was discovered in the structural framing requiring total reconstruction of several canopy roofs. This unforeseen condition is most likely to be present in most of the remaining canopy roofs in excess of available contingency funds required for comprehensive repairs throughout. This is a request for additional funding, up to the maximum allowed by law, of 25% of the original contract value. Based on calculated analysis of the first section of canopy reconstruction, a not-to-exceed amount of \$1,221,066.00 will provide sufficient funds for these additional repairs.

#### STRATEGIC GOAL

Preserve and improve existing affordable housing resources and opportunities.

#### SAN ANTONIO HOUSING AUTHORITY

#### SUMMARY:

SAHA requires the services of a vendor to provide pest control services at various SAHA properties to include Public Housing and scattered site units, SAHA's Central Office and Brazos and Tampico warehouses. The vendor will work in partnership with SAHA and its staff and residents to undertake a program of Integrated Pest Management (IPM) that relies on the combination of physical, cultural, biological and/or chemical control of pests. It's aim is to integrate or incorporate all appropriate methods into an approach that provides needed pest control in the safest manner and the use of chemicals is a last resort. SAHA's IPM plan promotes environmentally sensitive pest management while preserving assets and protecting the health and safety of its residents and employees.

On August 30, 2017, SAHA issued an "Invitation For Bids" (IFB) #1707-910-59-4694 for Pest Control Services for various SAHA properties, which closed on September 8, 2017. The IFB was published on the SAHA website, Electronic State Business Daily (ESBD), La Prensa, the Hart Beat, posted on NAHRO, Public Purchase and direct solicited to 41 vendors. A total of seven bids were received in response to the IFB: Bella Bugs (DBE), Orkin, LLC, Pest Shield Pest Control (Section 3 Business), Pest Management, Inc. (DBE), Pied Piper Pest Control (ESBE, HABE, MBE, SBE, Section 3 Business), Terminix International, and Worldwide Pest Control (WBE, Section 3 Business). Two bids were deemed non-responsive, as the bidders did not include pricing for bed bug heat treatment. All remaining bids were evaluated on the following criteria: purchase price, reputation of the bidder and goods or services, quality of the goods or services, extent to which the goods or services meet SAHA's needs, total long-term cost, and any relevant criteria contained in the solicitation document. Based on the above, Pest Management, Inc. and Pied Piper Pest Control are the lowest responsive and responsible bidders and are being recommended for contract award.

Pest Management, Inc. emerged from Hill Country Pest Control in 2010. Their headquarters is located in Austin, Texas, with office locations in Biloxi, Mississippi, and Dallas, Houston, Kerrville, and San Antonio, Texas. They have been certified as a DBE by the Department of Veterans Affairs. Pest Management specializes in commercial and residential pest management services to include, but not limited to, IPM programs designed to prevent pest infestations and eliminate any pest problems, animal trapping, bed bugs detection and treatment, termites, bees, etc. This vendor is currently under contract with SAHA to provide pest control services for Beacon Communities. Their service extends to approximately 3,000 clients on a daily basis to include: City of San Antonio, City of San Marcos, Department of Veteran Affairs, Fort Bend ISD, Fort Hood Military Base, Houston Community College, and the University of Texas. Their Housing Authority clients include: Beaumont Housing Authority, Dallas Housing Authority, Houston Housing Authority, Huntsville Housing Authority, Travis County Housing Authority, and Victoria Housing Authority. Pest Management's Section 3 Good Faith Effort Plan includes providing mentorship opportunities to interested and gualified Section 3 residents. Topics will include: Small Business Startup, GSA Contracting, Minority Business Registration, and Agriculture Employment Opportunities. The classes can be offered on a bi-annual basis.

Pied Piper Pest Control was established in 1946, and is located in San Antonio, Texas. This vendor has been certified as a ESBE, HABE, MBE, SBE by the South Central Texas Regional Certification Agency and a Section 3 Business by SAHA. They specialize in commercial and residential pest control services to include, but not limited to, the following: ants, bed bugs,

bees, cockroaches, fleas, mosquitoes, spiders, termites, and ticks. Their animal removal services include, but are not limited to, birds, possums, raccoons, rats and mice, skunks, snakes, and squirrels. Pied Piper Pest Control has received no prior awards from SAHA. Their client list includes: San Antonio Water System, Henry B. Gonzalez Convention Center, SAMMinistries, Center for Health Care Service, and numerous apartment complexes. Their Section 3 Good Faith Effort Plan includes hiring two to three individuals in the technician category.

Contract oversight will be provided by Brandee Perez, Director of Federal Housing Programs, who will monitor the vendor's adherence to contract requirements and performance. The Procurement Department will be responsible to ensure the vendor submits the vendor's Section 3 Compliance report on a monthly basis, monitor compliance with the vendor's SWMBE subvendor good faith utilization plan, provide annual contract performance evaluation surveys to end users, and assist departments in the contract renewal or new solicitation process.

**COMPLAINTS AND FEEDBACK** - **NOTE:** As a reminder, vendors are evaluated each year prior to the renewal of their contract. Historically, evaluations have been completed by SAHA staff at the properties that have experience with the contracted firms. This process will continue in place and your timely responses should be provided to Procurement as requested close to the expiration of each year's contract period. Starting next year, these results will be reported to the Board of Commissioners before the contracts can be renewed.

At management's direction, residents will have some input in the review of the vendor's performance during the year. Although they should report any complaints regarding existence of pests or pest control service related issues (primarily associated with the company) to the staff at their location, they have been provided the number to the Procurement Department, if problems with service is not resolved, or if issues arise with the vendor.

To minimize their need to contact the Procurement Department, please contact the vendor(s) to take corrective action and submit any complaints or comment through the Help Log System, as is currently done. In these cases, the Procurement staff will communicate the complaint to the vendor for additional support of your resolution request with them. These complaint logs will be filed in Procurement files, by vendor.

### PREPARATION FOR SERVICES

The residents have been provided information regarding preparation of the unit prior to treatment. They have been reminded that preparation is important to ensure that the pest control technician can access the areas that require treatment.

STAFF should also remember that the contract allows the vendor to charge us a separate service fee if the vendor is scheduled for a service and they cannot complete the work due to the unit not being prepared for service.

Per the contract, the Pest Control company needs to notify the property's management <u>during</u> <u>normal working hours at least 48-hours prior to the commencement of any treatment</u>. Please note that this is notification to SAHA and doesn't address the practice of notifying residents in advance of the service. Also note that the contract requires services to start and end on the same workday, unless approved otherwise by SAHA staff.

The vendor's staff member should never request or be given access to a unit without being accompanied by a property staff member. This will ensure the resident's safety and allow staff to ensure that services are properly provided.

# SAHA PEST CONTROL SERVICES CONTRACT RESIDENTS FACT SHEET PUBLIC HOUSING PROPERTIES

**COMPLAINTS AND FEEDBACK** - <u>NOTE</u>: Vendors are evaluated each year prior to the renewal of their contract. Historically, the annual evaluations have been completed by SAHA staff at the properties.

As a reminder, residents should report any complaints regarding existence of pests or pest control service related issues (primarily associated with the company) to the Property Management office at their respective location. In the event residents need to contact SAHA regarding pest control company complaints, they may call the Procurement Department at 210-477-6059. Residents are urged to leave the name of the property, their unit number, their phone number and the nature of the complaint.

### PREPARATION FOR SERVICES

Preparation of the unit prior to treatment is important for several reasons. First, to ensure that the pest control technician can access the areas that require treatment. Secondly, SAHA is charged a service fee if the vendor is scheduled for a service and they cannot complete the work due to the unit not being available or prepared for service. To avoid this extra cost, please make sure your unit is ready prior to the vendor's arrival.

The Pest Control company needs to notify the property's management during normal working hours at least 48-hours prior to the commencement of any treatment. Services are to start and end on the same work day, unless approved otherwise by SAHA.

To allow proper treatment of units by the pest control technician, residents should, as much as possible, pull items away from walls to allow access for the treatment.

Vendors should never request or be given access to your unit without being accompanied by a property staff member. This will ensure your safety and allow staff to ensure that services are properly provided.

### **Recognition of SAHA Veterans**

The San Antonio Housing Authority will again recognize the service of our Service Men and Women for Veterans Day. Those who sacrificed so much for the freedoms we enjoy today are not forgotten. Some of these valiant men and women are now employed here at the San Antonio Housing Authority in service to this community.

We have started a tradition to honor them through a short program each year. This program consists of a breakfast, a word of thanks from the CEO, and a coin ceremony.

We issue a specially designed coin to all veterans who now work at SAHA. The coin ceremony is a time honored tradition in the military. Here at SAHA, the coin serves as a means of identifying those who given so much in defense of the United States of America, and now extend selfless service to the San Antonio community. We honor and thank them for their service.

### 20th Annual Golden Gala

This year SAHA will celebrate the 20th Annual Golden Gala on December 20, 2017, from 3:00 p.m. to 7:00 p.m., at the Henry B. Gonzalez Convention Center. Each year we celebrate the holiday season with our residents. In addition to food and music, SAHA will continue to honor our veterans for their service to our country. Further, the H2A Living Awards will be presented to residents who give back to their communities.
