BOARD OF DIRECTORS

RESOLUTION 19LVPFC-08-15, CONCERNING THE APPLICATION OF TAMPICO APARTMENTS, L.P. OR A SIMILAR TEXAS LIMITED PARTNERSHIP, RELATING TO THE PROPOSED FINANCING OF UP TO $32,000,000.00 OF THE COSTS OF THE ACQUISITION, CONSTRUCTION, AND EQUIPPING OF THE TAMPICO APARTMENTS PROJECT, TO BE LOCATED AT 210 TAMPICO STREET, SAN ANTONIO, TEXAS; AND OTHER MATTERS IN CONNECTION THEREWITH

REQUESTED ACTION:
Consideration and appropriate action regarding Resolution 19LVPFC-08-15, concerning the application of Tampico Apartments, L.P. or a similar Texas limited partnership, relating to the proposed financing of up to $32,000,000.00 of the costs of the acquisition, construction, and equipping of the Tampico Apartment project, to be located at 210 Tampico Street, San Antonio, Texas; and other matters in connection therewith.

FINANCIAL IMPACT:
None at this time. By authorizing SAHA staff to submit applications early for the aforementioned project, SAHA and Las Varas Public Facility Corporation (LVPFC) will increase their chances to obtain the volume cap to complete the project and benefit from additional revenue.

SUMMARY:
In October 2017, the Board of Directors approved to induce this project. Due to the time delay, LVPFC is required to re-induce this project. Since the project was initially induced in 2017, the project was designed and a cost estimate indicated there was a gap in the financing. Interest rate reductions and increases in tax credit rents have eliminated that gap and the project can now be financed without any investment by SAHA.

The project consists of 200 multi-family units, approximately 124 of which will be made available to families whose average income is 60% of the area median income and will be rent restricted to Texas Department of Housing and Community Affairs (TDHCA) rents. Approximately 76 of the units will be market rate units.

This project must be financed in part with tax-exempt bonds. In order to issue tax-exempt bonds, the issuer must obtain a volume cap allocation from the Texas Bond Review Board. This is time sensitive and can be competitive. SAHA will be applying for volume cap for the Tampico Apartments, which will not be awarded until the end of the year, if any volume cap is available. Certain state agencies have the right to use available volume cap before local agencies and last year, they used almost all of the volume cap and only seven local agency projects received volume cap. Volume cap available to local agencies is awarded on a first come, first served basis, according to when the application is submitted. Therefore, it is imperative to submit the
application as soon as possible. SAHA must also apply for the tax credits with the Texas Department of Housing and Community Development. Accordingly, Staff is requesting that the Board authorize this action, so that SAHA may begin the process, but SAHA is not asking to specifically approve or be bound to this project. This is a non-binding Resolution. This will enable us to move forward, make an application for volume cap and tax credits and begin to coordinate the financing and negotiate the specific terms of the deal, which will be brought back for Board approval.

In this transaction, Las Varas Public Facility Corporation will be the proposed issuer of the bonds. The San Antonio Housing Facility Corporation will own the land and create a single member limited liability company to serve as the general partner of the tax credit partnership, which will own the project.

The attached Resolution authorizes Las Varas Public Facility Corporation to approve the inducement Resolution for the project.

**STRATEGIC GOAL:**
Strategically expand the supply of affordable housing.

WHEREAS, the Housing Authority of the City of San Antonio, Texas (Housing Authority), has, pursuant to the Texas Public Facility Corporations Act, Chapter 303, Texas Local Government Code, as amended (Act), approved and created the Las Varas Public Facility Corporation, a nonstock, nonprofit public facility corporation (Issuer); and

WHEREAS, the Issuer, on behalf of the Housing Authority, is empowered to finance the costs of residential ownership and development that will provide decent, safe, and sanitary housing at affordable prices for residents of the City by the issuance of housing revenue bonds; and

WHEREAS, Tampico Apartments, L.P., or a similar Texas limited partnership (User), has filed an Application (Application), requesting that (i) the Issuer finance the acquisition, construction, and equipping of a proposed 200-unit multifamily housing facility to be located on the tract shown on the attached map and known as the Tampico Apartments (Project); and (ii) the Issuer file a 2019 and/or 2020 Allocation Application (defined hereafter) and/or any carryforward applications associated with such Allocation Applications to the Texas Bond Review Board as described herein; and

WHEREAS, the User has advised the Issuer that a contributing factor that would further induce the User to proceed with providing for the acquisition, construction, equipping, and improvement of the Project would be a commitment and agreement by the Board of Directors (Board) of the Issuer to issue housing revenue bonds pursuant to the Act (Bonds) to finance and pay any Development Costs, as defined in the Act, for the Project; and

WHEREAS, in view of rising construction costs and the necessity of compliance with administrative regulations, it is considered essential that acquisition, construction, equipping, and improvement of the Project be completed at the earliest practicable date after satisfactory preliminary assurances from the Issuer that the proceeds of the sale of the Bonds, or other obligations, of the Issuer in an amount necessary to pay the Development Costs of the Project, will be made available to finance the Project; and

WHEREAS, this Resolution shall constitute the Issuer's commitment, subject to the terms hereof, to issue Bonds, or other obligations, pursuant to the Act in an amount prescribed by the User now contemplated not to exceed $23,000,000.00 and to expend the proceeds thereof to pay Development Costs, including costs of acquisition, construction, equipping, and improvement of the Project, funding a debt service or other reserve fund for the Project, and paying expenses and costs in connection with the issuance of the Bonds, including costs of obtaining credit enhancement, if any; and

WHEREAS, the Bonds are “private activity bonds” as that term is defined in Subchapter A, Section 1372.001 of Chapter 1372, Texas Government Code, as amended, including the rules
promulgated pursuant thereto in 34 Texas Administrative Code, Sections 190.1 through 190.8
(Allocation Act), and various provisions of the Internal Revenue Code of 1986, as amended
(Code); and

WHEREAS, the Code requires that the applicable elected official of the City approve the issuance
of the Bonds after a public hearing for which reasonable public notice shall have been given; and

WHEREAS, the Issuer is authorized by the provisions of the Act to issue the Bonds; and

WHEREAS, in order to issue the Bonds in the manner contemplated, the Issuer must seek an
allocation of the State of Texas volume cap pertaining to private activity bonds in order to satisfy
the provisions of the Code; and

WHEREAS, in order to satisfy, in part, the provisions of the Allocation Act, the Issuer must submit
an “Application for Allocation of Private Activity Bonds” or a “Application for Carryforward for
Private Activity Bonds” (Allocation Application) to the Texas Bond Review Board and adopt this
Resolution authorizing the filing or refiling of the Allocation Application; and

WHEREAS, the Allocation Application and the Allocation Act require that the Issuer certify that
the Bonds are not being issued for the same stated purpose for which the Issuer has received
sufficient carryforward during a prior year or for which there exists unexpended proceeds from a
prior issue or issues of bonds issued by the Issuer; and

WHEREAS, the User intends to make capital expenditures in connection with the acquisition,
construction, equipping, and improvement of the Project (Expenditures) and expects to reimburse
the Expenditures with proceeds of the Bonds; and

WHEREAS, in order to allocate under Treasury Regulation §1.150-2 (Regulation) proceeds of the
Bonds to the Expenditures, the Issuer must declare its reasonable expectation to reimburse the
Expenditures; and

WHEREAS, the User has requested authorization to make all filings necessary to obtain and
maintain debt financing and tax credits on the Project; and

WHEREAS, the Board has determined that it is in the public interest and to the benefit of the
citizens and residents of San Antonio for the various entities to enter into the transactions
described above so that the User may construct the Project.

NOW, THEREFORE, BE IT RESOLVED that the Board of Directors of Las Varas Public Facility
Corporation hereby:

Section 1. Subject to the terms hereof, the Issuer agrees that it will

(a) subject to the negotiation of mutually acceptable agreements, issue the
Bonds, in an amount not to exceed $23,000,000.00;

(b) cooperate with the User with respect to the issuance of the Bonds, and, if
arrangements therefore satisfactory to the User and the Issuer can be made, take
such action and authorize the execution of such documents and take such further
action as may be necessary or advisable for the authorization, execution, and
delivery of any contracts or agreements deemed necessary and desirable by the
User or the Issuer in connection with the issuance of the Bonds (Contracts), providing among other things for payment of the principal of, interest on, redemption premiums on, and paying agents’ and trustee’s fees and charges, if any, on the Bonds; payment of fees, charges, and expenses of the Issuer and the Housing Authority (including legal and financial advisory expenses); acquisition, construction, equipping, and improvement of the Project; and use, operation, and maintenance of the Project (and the execution of any necessary guaranty agreements), all as shall be authorized, required, or permitted by law and as shall be satisfactory to the Issuer, the Housing Authority, and the User;

(c) if the proceeds from the sale of the Bonds are insufficient to complete the acquisition, construction, equipping, and improvement of the Project, take such actions and execute such documents as may be necessary to permit the issuance from time to time in the future of additional bonds on terms which shall be set forth therein, whether on a parity with other series of bonds or otherwise, for the purpose of paying the costs of completing the acquisition, construction, equipping, and improvement of the Project, as requested by the User and within then applicable limitations; and

(d) take or cause to be taken such other actions as may be required to implement the aforesaid undertakings or as it may deem appropriate in pursuance thereof.

The Bonds shall specifically provide that neither the State of Texas (State), the Housing Authority, nor any political issuer, subdivision, or agency of the State shall be obligated to pay the same or the interest thereon and that neither the faith and credit nor the taxing power of the State, the Housing Authority, or any political issuer, subdivision, or agency thereof is pledged to the payment of the principal of, premium, if any, or interest on the Bonds.

Section 2. It is understood by the Issuer, and the User has represented to the Issuer, that in consideration of the Issuer’s adoption of this Resolution and by filing the Application, and subject to the terms and conditions hereof, the User has agreed that

(a) prior to or contemporaneously with the sale of the Bonds in one or more series or issues from time to time as the Issuer and the User shall hereafter agree to in writing, the User will enter into the Contracts with the Issuer under the terms of which the User will obligate itself, on a nonrecourse basis, to pay to the Issuer (or to a trustee, as the case may be) sums sufficient in the aggregate to pay the principal of, interest on, redemption premiums on, paying agents’ and trustee’s fees and charges, if any, on the Bonds, as and when the same become due and payable, with such Contracts to contain the provisions described in Section 1 hereof and such other provisions as may be required or permitted by law and to be mutually acceptable to the Issuer and the User;

(b) the User will (1) pay all Project costs which are not or cannot be paid or reimbursed from the proceeds of the Bonds and (2) at all times from and after the issuance of the Bonds, indemnify and hold harmless the Issuer and the Housing Authority against all losses, costs, damages, expenses, and liabilities of
whatsoever nature (including but not limited to reasonable attorneys’ fees, litigation and court costs, amounts paid in settlement, and amounts paid to discharge judgments) directly or indirectly resulting from, arising out of or related to the issuance, offering, sale, or delivery of the Bonds, or the design, construction, equipping, installation, operation, use, occupancy, maintenance, or ownership of the Project (other than claims arising from the gross negligence or willful misconduct of the Issuer or the Housing Authority) and prior to or contemporaneously with the sale of the Bonds will agree to provide indemnification on terms satisfactory to the Issuer; and

(c) no Bonds will be issued without the approval of the Housing Authority.

Section 3. The User is hereby authorized to make all filings necessary to obtain and maintain tax credits on the Project.

Section 4. Except as expressly extended by the Issuer, it is understood by the Issuer and the User that all commitments of the Issuer with respect to the Project and the Bonds are subject to the condition that the Bonds shall have been issued no later than two years from the date of this Resolution.

Section 5. It is recognized and agreed by the Issuer that the User may exercise its rights and perform its obligations with respect to the financing of the Project either through (i) itself in its own name; (ii) any “related person” as defined in section 144(a)(3) of the Code; (iii) any legal successor thereto; (iv) an entity in which any of the above is a general partner or sole member; or (v) or any entity approved by the Issuer, provided that suitable guaranties necessary or convenient for the marketability of the Bonds shall be furnished, if required by the Issuer, and all references herein to the User shall be deemed to include the User acting directly through itself or any such approved entities.

Section 6. This Resolution shall be deemed to constitute the acceptance of the User’s proposal that it be further induced to proceed with providing the Project. The Allocation Application and this Resolution shall constitute an agreement between the Issuer and the User effective on the date that this Resolution is adopted. This Resolution is affirmative official action taken by the Issuer towards the issuance of the Bonds in order to comply with the requirements of the Code. Neither the User nor any other party is entitled to rely on this Resolution as a commitment to issue bonds or loan funds, and the Issuer reserves the right not to issue the Bonds either with or without cause and with or without notice, and in such event the Issuer shall not be subject to any liability or damages of any nature. Neither the User nor any one claiming by, through or under the User, nor any investment banking firm or potential purchaser of the Bonds shall have any claim against the Issuer whatsoever as a result of any decision by the Issuer not to issue the Bonds.

Section 7. The Issuer hereby adopts this Resolution in order to satisfy the requirements of the Allocation Act pertaining to the issuance of the Bonds and authorizes any officer or designee of the Issuer to prepare and file a 2019 and/or 2020 Allocation Application and/or any carryforward applications associated with such Allocation Application, together with all required attachments (including obtaining the
Issuer’s Certificate of Good Standing from the Comptroller of Public Accounts for the State of Texas) in the form required by the Texas Bond Review Board.

Section 8. The Issuer respectfully requests that the Allocation Application be accepted and approved by the Texas Bond Review Board.

Section 9. Any officer of the Issuer (or his designee) is hereby authorized to execute the Allocation Application, to pay (or cause the User to pay) the Application Fee of $5,000.00 for each Allocation Application (submitted to the Issuer by the User) to the Texas Bond Review Board and to submit any additional information or to make any necessary corrections or revisions requested by the Texas Bond Review Board in order to satisfy the requirements of the Allocation Act in connection with the Allocation Application.

Section 10. The Board certifies that the Bonds are not being issued for the same stated purpose for which the Issuer has received sufficient carryforward during a prior year or for which there exists unexpended proceeds from a prior issue or issues of bonds issued by the Issuer.

Section 11. In connection with the issuance of the Bonds, the Board hereby authorizes its bond counsel to arrange for the publication of a notice of public hearing in the City of San Antonio, Texas regarding the Bonds for the purpose of complying with section 147(f) of the Code. The form of notice of such hearing and the date, place, and manner of its publication shall be acceptable to the Corporation’s bond counsel. The hearing shall be held by the Corporation’s bond counsel.

Section 12. Based upon representations from the User, the Issuer reasonably expects to reimburse the Expenditures with proceeds of the Bonds in a principal amount that will not exceed $23,000,000.00. This Resolution shall constitute a declaration of official intent under the Treasury Regulation Section 1.150-2.

Section 13. The Board authorizes the President, Vice President, Secretary, Treasurer or any Assistant Secretary of the Board to execute any documents or certificates necessary to seek the approval of the Bonds by the Texas Attorney General.

Section 14. The recitals contained in the preamble hereof are hereby found to be true, and such recitals are hereby made a part of this Resolution for all purposes and are adopted as a part of the judgment and findings of the Board.

Section 15. All resolutions, or parts thereof, which are in conflict or inconsistent with any provision of this Resolution are hereby repealed to the extent of such conflict, and the provisions of this Resolution shall be and remain controlling as to the matters resolved herein.

Section 16. If any provision of this Resolution or the application thereof to any person or circumstance shall be held to be invalid, the remainder of this Resolution and the application of such provision to other persons and circumstances shall nevertheless be valid, and the Board hereby declares that this Resolution would have been enacted without such invalid provision.
Section 17. This Resolution shall be construed and enforced in accordance with the laws of the State of Texas and the United States of America.

Section 18. This Resolution shall be in force and effect from and after its passage.

Passed and approved the 5th day of September 2019.
