## OPERATIONS

**Item 4: Consideration and approval regarding Resolution 20LVPFC-07-02, appointing David Nisivoccia as the Las Varas Public Facility Corporation's Inducement Officer to approve resolutions inducing tax exempt bond issues for purposes of obtaining volume cap from the Texas Bond Review Board (BRB)**

Mr. Timothy E. Alcott, Real Estate and Legal Services Officer, explained that at the time of inducement, approximately one year before a closing, the developers have the land under contract and have run an internal proforma, which indicates the project can be financed. They have not done any engineering or design work and they do not have their financing in place. At this time, we can only provide projections. That is why the inducement resolutions are non binding. We do not believe it is appropriate to ask the Board for final approval at this stage.

Once developers are confident they will receive volume cap, they put the financing together. Once we are confident we can accurately describe the project and financing structure, we would bring the project to the Board for consideration. This will likely be three to nine months after inducement and three to four months before we close.

In order to implement this type of schedule, we are proposing that the Board allow the President and CEO of San Antonio Housing Authority to execute the non binding resolutions necessary to submit volume cap applications and TDHCA applications. This will enable projects to get in line without taking up valuable Board time and allow the developers to begin their engineering, design and financing activities.

**Motion:** The President and CEO offered a friendly amendment to request the Resolution indicate "Appointing President and CEO of San Antonio Housing Authority as Inducement Officer," instead of being named personally. Director Kaplan moved to approve Resolution 20LVPFC-07-02 with the friendly amendment. Director Clack seconded the motion. Approved.

**REQUESTED ACTION:**

Consideration and approval regarding Resolution 20LVPFC-08-06, authorizing the amendment and restatement of Resolution 18LVPFC-07-19, concerning the application of the Las Varas Public Facility Corporation, San Antonio Housing Facility Corporation or an affiliated limited partnership relating to the proposed financing and/or issuing of up to \$60,000,000.00 of tax exempt bonds to pay for the costs of the acquisition, construction, and equipping of the St. John's Square, to be located on the southeast corner of East Nueva Street and St. Mary's Street; and other matters in connection therewith.

**FINANCIAL IMPACT:**

The bonds will assist with financing of the Project. The total financing will be brought to the Board of Commissioners for approval at a later date.

**SUMMARY:**

Las Varas Public Facility Corporation (LVPFC) was created by the San Antonio Housing Authority pursuant to the provisions of the Public Facility Corporation Act, Chapter 303, Texas Local Government Code. Part of the financing for the Project will be through 4% tax credits. To issue 4% tax credits, LVPFC must first apply for an allocation of volume cap for private activity bonds, which if received, leads to a non-competitive application process for the 4% tax credits.

To promote certain private activities (which are deemed to benefit the public), each state is authorized to allow the issuance of a set amount of private activity "volume cap" tax-exempt bonds. The volume cap bonds can be allocated to finance multifamily housing projects. Projects that are financed (whether new construction or acquisition/rehab) in part by tax exempt bonds are eligible for 4% tax credits.

LVPFC will seek approval to take non-binding preliminary action to apply to the Texas Bond Review Board for volume cap in the amount of up to \$60,000,000.00 and to apply for 4% Tax Credits.

**WHEREAS**, the Housing Authority of the City of San Antonio, Texas (Housing Authority), has, pursuant to the Texas Public Facility Corporations Act, Chapter 303, Texas Local Government Code, as amended (Act), approved and created the Las Varas Public Facility Corporation and the San Antonio Housing Facility Corporation, nonstock, nonprofit public facility corporations (Issuer); and

**WHEREAS**, the Issuer is empowered to finance the costs of public facilities consisting of a residential development that will provide decent, safe, and sanitary housing at affordable prices for residents of the City by the issuance of housing revenue bonds; and

**WHEREAS**, the Issuer previously adopted Resolution 18LVPFC-07-19 to induce tax-exempt financing for the St. John's Square development; and

**WHEREAS**, the Issuer desires to amend and restate the previously adopted inducement resolution pursuant to the terms stated herein; and

**WHEREAS**, Las Varas Public Facility Corporation, the San Antonio Housing Facility Corporation or an affiliated Texas limited partnership (User) acting through, requests that (i) the Issuer finance the acquisition, construction, and equipping of an approximately 253-unit multifamily housing facility to be located on the SE Corner of E Nueva Street and St. Mary's Street to be known as St. John's Square (Project); and (ii) the Issuer file and/or refile a 2020 and/or subsequent year Allocation Application (defined hereafter) and/or any carryforward applications to the Texas Bond Review Board as described herein; and

**WHEREAS**, the User has advised the Issuer that a contributing factor that would further induce the User to proceed with providing for the acquisition, construction, equipping, and improvement of the Project would be a commitment and agreement by the Board of Directors (Board) of the Issuer to issue housing revenue bonds pursuant to the Act (Bonds) to finance and pay any Development Costs, as defined in the Act, for the Project; and

**WHEREAS**, in view of rising construction costs and the necessity of compliance with administrative regulations, it is considered essential that acquisition, construction, equipping, and improvement of the Project be completed at the earliest practicable date after satisfactory preliminary assurances from the Issuer that the proceeds of the sale of the Bonds, or other

obligations, of the Issuer in an amount necessary to pay the Development Costs of the Project, will be made available to finance the Project; and

**WHEREAS**, this Resolution shall constitute the Issuer's commitment, subject to the terms hereof, to issue Bonds, or other obligations, pursuant to the Act in an amount prescribed by the User now contemplated not to exceed \$60,000,000.00 and to expend the proceeds thereof to pay Development Costs including costs of acquisition, construction, equipping, and improvement of the Project, funding a debt service or other reserve fund for the Project, and paying expenses and costs in connection with the issuance of the Bonds, including costs of obtaining credit enhancement, if any; and

**WHEREAS**, the Bonds are "private activity bonds" as that term is defined in Subchapter A, Section 1372.001 of Chapter 1372, Texas Government Code, as amended, including the rules promulgated pursuant thereto in 34 Texas Administrative Code, Sections 190.1 through 190.8 (together, the Allocation Act), and various provisions of the Internal Revenue Code of 1986, as amended (Code); and

**WHEREAS**, the Code requires that the applicable elected official of the City approve the issuance of the Bonds after a public hearing for which reasonable public notice shall have been given; and

**WHEREAS**, the Issuer is authorized by the provisions of the Act to issue the Bonds; and

**WHEREAS**, in order to issue the Bonds in the manner contemplated, the Issuer must seek an allocation of the State of Texas volume cap pertaining to private activity bonds in order to satisfy the provisions of the Code; and

**WHEREAS**, in order to satisfy, in part, the provisions of the Allocation Act, the Issuer must submit an "Application for Allocation of Private Activity Bonds" (Allocation Application) to the Texas Bond Review Board and adopt this Resolution authorizing the filing or re-filing of the Allocation Application; and

**WHEREAS**, the Allocation Application and the Allocation Act require that the Issuer certify that the Bonds are not being issued for the same stated purpose for which the Issuer has received sufficient carryforward during a prior year or for which there exists unexpended proceeds from a prior issue or issues of bonds issued by the Issuer; and

**WHEREAS**, the User intends to make capital expenditures in connection with the acquisition, construction, equipping, and improvement of the Project (Expenditures) and expects to reimburse the Expenditures with proceeds of the Bonds; and

**WHEREAS**, in order to allocate under Treasury Regulation §1.150-2 (Regulation) proceeds of the Bonds to the Expenditures, the Issuer must declare its reasonable expectation to reimburse the Expenditures; and

**WHEREAS**, the User has requested authorization to make all filings necessary to obtain and maintain debt financing and tax credits on the Project; and

**WHEREAS**, the Board has determined that it is in the public interest and to the benefit of the citizens and residents of San Antonio for the various entities to enter into the transactions described above so that the User may construct the Project.

**NOW, THEREFORE, BE IT RESOLVED** that the Board of Directors of Las Varas Public Facility Corporation hereby:

1. Subject to the terms hereof, the Issuer agrees that it will:

a. subject to the negotiation of mutually acceptable agreements, issue the Bonds, in an amount not to exceed \$60,000,000.00; and

b. cooperate with the User with respect to the issuance of the Bonds, and, if arrangements therefore satisfactory to the User and the Issuer can be made, take such action and authorize the execution of such documents and take such further action as may be necessary or advisable for the authorization, execution, and delivery of any contracts or agreements deemed necessary and desirable by the User or the Issuer in connection with the issuance of the Bonds (collectively, the Contracts), providing among other things for payment of the principal of, interest on, redemption premiums on, and paying agents' and trustee's fees and charges, if any, on the Bonds; payment of fees, charges, and expenses of the Issuer and the Housing Authority (including legal and financial advisory expenses); acquisition, construction, equipping, and improvement of the Project; and use, operation, and maintenance of the Project (and the execution of any necessary guaranty agreements), all as shall be authorized, required, or permitted by law and as shall be satisfactory to the Issuer, the Housing Authority, and the User; and

c. if the proceeds from the sale of the Bonds are insufficient to complete the acquisition, construction, equipping, and improvement of the Project, take such actions and execute such documents as may be necessary to permit the issuance from time to time in the future of additional bonds on terms which shall be set forth herein, whether on a parity with other series of bonds or otherwise, for the purpose of paying the costs of completing the acquisition, construction, equipping, and improvement of the Project, as requested by the User and within then applicable limitations; and

d. take or cause to be taken such other actions as may be required to implement the aforesaid undertakings or as it may deem appropriate in pursuance thereof.

2. The Bonds shall specifically provide that neither the State of Texas (State), the Housing Authority, nor any political issuer, subdivision, or agency of the State shall be obligated to pay the same or the interest thereon and that neither the faith and credit nor the taxing power of the State, the Housing Authority, or any political issuer, subdivision, or agency thereof is pledged to the payment of the principal of, premium, if any, or interest on the Bonds.

3. It is understood by the Issuer, and the User has represented to the Issuer, that in consideration of the Issuer's adoption of this Resolution and by filing the Application, and subject to the terms and conditions hereof, the User has agreed that

a. prior to or contemporaneously with the sale of the Bonds in one or more series or issues from time to time as the Issuer and the User shall hereafter agree to in writing, the User will enter into the Contracts with the Issuer under the terms of which the User will obligate itself, on a nonrecourse basis, to pay to the Issuer (or to a trustee, as the case may be) sums sufficient in the aggregate to pay the principal of, interest on, redemption premiums on, paying agents' and trustee's fees and charges, if any, on the Bonds, as and when the same become due and payable, with such Contracts to contain the provisions described in Section 1 hereof and such other provisions as may be required or permitted by law and to be mutually acceptable to the Issuer and the User; and

b. the User will (1) pay all Project costs which are not or cannot be paid or reimbursed from the proceeds of the Bonds and (2) at all times from and after the issuance of the Bonds, indemnify and hold harmless the Issuer and the Housing Authority against all losses, costs, damages, expenses, and liabilities of whatsoever nature (including, but not limited to, reasonable attorneys' fees, litigation and court costs, amounts paid in settlement, and amounts paid to discharge judgments) directly or indirectly resulting from, arising out of or related to the issuance, offering, sale, or delivery of the Bonds, or the design, construction, equipping, installation, operation, use, occupancy, maintenance, or ownership of the Project (other than claims arising from the gross negligence or willful misconduct of the Issuer or the Housing Authority) and prior to or contemporaneously with the sale of the Bonds will agree to provide indemnification on terms satisfactory to the Issuer; and

c. no bonds will be issued without the approval of the Housing Authority.

4. The User is hereby authorized to make all filings necessary to obtain and maintain tax credits on the Project.

5. Except as expressly extended by the Issuer, it is understood by the Issuer and the User that all commitments of the Issuer with respect to the Project and the Bonds are subject to the condition that the Bonds shall have been issued no later than three years from the date of this Resolution.

6. It is recognized and agreed by the Issuer that the User may exercise its rights and perform its obligations with respect to the financing of the Project either through (i) itself in its own name; (ii) any "related person" as defined in section 144(a)(3) of the Code; (iii) any legal successor thereto; (iv) an entity in which any of the above is a general partner or sole member; or (v) or any entity approved by the Issuer, provided that suitable guaranties necessary or convenient for the marketability of the Bonds shall be furnished, if required by the Issuer, and all references herein to the User shall be deemed to include the User acting directly through itself or any such approved entities.

7. This Resolution shall be deemed to constitute the acceptance of the User's proposal that it be further induced to proceed with providing the Project. The Allocation Application and this Resolution shall constitute an agreement between the Issuer and the User effective on the date that this Resolution is adopted. This Resolution is affirmative official action taken by the Issuer towards the issuance of the Bonds in order to comply with the requirements of the Code. Neither the User nor any other party is entitled to rely on this Resolution as a commitment to issue bonds or loan funds, and the Issuer reserves the right not to issue the Bonds either with or without

cause and with or without notice, and in such event the Issuer shall not be subject to any liability or damages of any nature. Neither the User nor anyone claiming by, through or under the User, nor any investment banking firm or potential purchaser of the Bonds shall have any claim against the Issuer whatsoever as a result of any decision by the Issuer not to issue the Bonds.

8. The Issuer hereby adopts this Resolution in order to satisfy the requirements of the Allocation Act pertaining to the issuance of the Bonds and authorizes any officer or designee of the Issuer to prepare and file and/or refile a 2020 and/or any subsequent year, Allocation Application and/or any carryforward applications, together with all required attachments (including obtaining the Issuer's Certificate of Good Standing from the Comptroller of Public Accounts for the State of Texas) in the form required by the Texas Bond Review Board.

9. The Issuer respectfully requests that the Allocation Application be accepted and approved by the Texas Bond Review Board.

10. Any officer of the Issuer (or his designee) is hereby authorized to execute the Allocation Application, to pay (or cause the User to pay) the Application Fee of \$5,000.00 for each Allocation Application (submitted to the Issuer by the User) to the Texas Bond Review Board and to submit any additional information or to make any necessary corrections or revisions requested by the Texas Bond Review Board in order to satisfy the requirements of the Allocation Act in connection with the Allocation Application.

11. The Board certifies that the Bonds are not being issued for the same stated purpose for which the Issuer has received sufficient carryforward during a prior year or for which there exists unexpended proceeds from a prior issue or issues of bonds issued by the Issuer.

12. In connection with the issuance of the Bonds, the Board hereby authorizes its bond counsel to arrange for the publication of a notice of public hearing in the City of San Antonio, Texas regarding the Bonds for the purpose of complying with section 147(f) of the Code. The form of notice of such hearing and the date, place, and manner of its publication shall be acceptable to the Corporation's bond counsel. The hearing shall be held by the Corporation's bond counsel.

13. Based upon representations from the User, the Issuer reasonably expects to reimburse the Expenditures with proceeds of the Bonds in a principal amount that will not exceed \$60,000,000.00. This Resolution shall constitute a declaration of official intent under the Treasury Regulation Section 1.150-2.

14. The Board authorizes the President, Vice President, Secretary, Treasurer or any Assistant Secretary/Treasurer of the Board to execute any documents or certificates necessary to seek the approval of the Bonds by the Texas Attorney General.

15. The recitals contained in the preamble hereof are hereby found to be true, and such recitals are hereby made a part of this Resolution for all purposes and are adopted as a part of the judgment and findings of the Board.

16. All resolutions, or parts thereof, which are in conflict or inconsistent with any provision of this Resolution are hereby repealed to the extent of such conflict, and the provisions of this Resolution shall be and remain controlling as to the matters resolved herein.

17. If any provision of this Resolution or the application thereof to any person or circumstance shall be held to be invalid, the remainder of this Resolution and the application of such provision to other persons and circumstances shall nevertheless be valid, and the Board hereby declares that this Resolution would have been enacted without such invalid provision.

18. This Resolution shall be construed and enforced in accordance with the laws of the State of Texas and the United States of America.

19. This Resolution shall be in force and effect from and after its passage.

**REQUESTED ACTION:**

Consideration and approval regarding Resolution 20LVPFC-08-08, concerning the application of Watson Road Ltd. relating to the proposed financing of up to \$38,000,000.00 of the costs of the acquisition, construction, and equipping of the Watson Road Apartments, to be located near the northeast corner of Watson Road and Somerset Road, San Antonio, Texas; and other matters in connection therewith.

**FINANCIAL IMPACT:**

None at this time. However, by authorizing us to submit applications early, this project has a greater chance of being done, which could mean millions of dollars in additional revenue.

**SUMMARY:**

Today we are seeking authority to file applications relating to our proposed Watson Road 4% tax credit projects. As you will recall, all 4% tax credit projects must be financed in part with tax-exempt bonds. In order to issue tax-exempt bonds, the issuer must obtain a volume cap allocation from the Texas Bond Review Board. This is time sensitive and can be competitive. We will apply for volume cap which may not be awarded until the end of the year, if any volume cap is available. We need to submit our applications as soon as we can. We will also have to apply for the tax credits to the Texas Department of Housing and Community Development. Accordingly, we are asking you to authorize these actions so that we may get in line, however, ***we are not asking you to specifically approve or be bound to this project. These are non-binding Resolutions.*** This will enable us to move forward, make applications for volume cap and tax credits and begin to put the financings together and negotiate the specific terms of the deals, which we will bring back to you for approval.

The Watson Road Project is a 345-unit project proposed by the NRP Group to be located at the northeast corner of Watson Road and Somerset Road. It is proposed to contain 35 units at 40% of the median income and below, 275 units at 60% of the median income and 35 units at 70% of median income. All units will have restricted rent and must accept Section 8 vouchers. The total project cost is estimated to be approximately \$38,000,000.00.

**WHEREAS**, the Housing Authority of the City of San Antonio, Texas (Housing Authority), has, pursuant to the Texas Public Facility Corporations Act, Chapter 303, Texas Local Government Code, as amended (Act), approved and created the Las Varas Public Facility Corporation, a nonstock, nonprofit public facility corporation (Issuer); and

**WHEREAS**, the Issuer, on behalf of the Housing Authority, is empowered to finance the costs of residential ownership and development that will provide decent, safe, and sanitary housing at affordable prices for residents of the City by the issuance of housing revenue bonds; and

**WHEREAS**, Watson Road Ltd., a Texas limited partnership (User), will file an Application (Application), requesting that (i) the Issuer finance the acquisition, construction, and equipping of a proposed 345-unit multifamily housing facility to be located on the tract shown on the attached map and known as the Watson Road Apartments (Project); and (ii) the Issuer file a 2020 and/or 2021 Allocation Application (defined hereafter) and/or any carryforward applications associated with such Allocation Applications to the Texas Bond Review Board as described herein; and

**WHEREAS**, the User has advised the Issuer that a contributing factor that would further induce the User to proceed with providing for the acquisition, construction, equipping, and improvement of the Project would be a commitment and agreement by the Board of Directors (Board) of the Issuer to issue housing revenue bonds pursuant to the Act (Bonds) to finance and pay any Development Costs, as defined in the Act, for the Project; and

**WHEREAS**, in view of rising construction costs and the necessity of compliance with administrative regulations, it is considered essential that acquisition, construction, equipping, and improvement of the Project be completed at the earliest practicable date after satisfactory preliminary assurances from the Issuer that the proceeds of the sale of the Bonds, or other obligations, of the Issuer in an amount necessary to pay the Development Costs of the Project, will be made available to finance the Project; and

**WHEREAS**, this Resolution shall constitute the Issuer's commitment, subject to the terms hereof, to issue Bonds, or other obligations, pursuant to the Act in an amount prescribed by the User now contemplated not to exceed \$38,000,000.00 and to expend the proceeds thereof to pay Development Costs including costs of acquisition, construction, equipping, and improvement of the Project, funding a debt service or other reserve fund for the Project, and paying expenses and costs in connection with the issuance of the Bonds, including costs of obtaining credit enhancement, if any; and

**WHEREAS**, the Bonds are "private activity bonds" as that term is defined in Subchapter A, Section 1372.001 of Chapter 1372, Texas Government Code, as amended, including the rules promulgated pursuant thereto in 34 Texas Administrative Code, Sections 190.1 through 190.8

(together, the Allocation Act), and various provisions of the Internal Revenue Code of 1986, as amended (Code); and

**WHEREAS**, the Code requires that the applicable elected official of the City approve the issuance of the Bonds after a public hearing for which reasonable public notice shall have been given; and

**WHEREAS**, the Issuer is authorized by the provisions of the Act to issue the Bonds; and

**WHEREAS**, in order to issue the Bonds in the manner contemplated, the Issuer must seek an allocation of the State of Texas volume cap pertaining to private activity bonds in order to satisfy the provisions of the Code; and

**WHEREAS**, in order to satisfy, in part, the provisions of the Allocation Act, the Issuer must submit an "Application for Allocation of Private Activity Bonds" or a "Application for Carryforward for Private Activity Bonds" (Allocation Application) to the Texas Bond Review Board and adopt this Resolution authorizing the filing or refiling of the Allocation Application; and

**WHEREAS**, the Allocation Application and the Allocation Act require that the Issuer certify that the Bonds are not being issued for the same stated purpose for which the Issuer has received sufficient carryforward during a prior year or for which there exists unexpended proceeds from a prior issue or issues of bonds issued by the Issuer; and

**WHEREAS**, the User intends to make capital expenditures in connection with the acquisition, construction, equipping, and improvement of the Project (Expenditures) and expects to reimburse the Expenditures with proceeds of the Bonds; and

**WHEREAS**, in order to allocate under Treasury Regulation §1.150-2 (Regulation) proceeds of the Bonds to the Expenditures, the Issuer must declare its reasonable expectation to reimburse the Expenditures; and

**WHEREAS**, the User has requested authorization to make all filings necessary to obtain and maintain debt financing and tax credits on the Project; and

**WHEREAS**, the Board has determined that it is in the public interest and to the benefit of the citizens and residents of San Antonio for the various entities to enter into the transactions described above so that the User may construct the Project.

**NOW, THEREFORE, BE IT RESOLVED** by the Board of Directors of the Las Varas Public Facility Corporation that:

Section 1. Subject to the terms hereof, the Issuer agrees that it will

(a) subject to the negotiation of mutually acceptable agreements, issue the Bonds, in an amount not to exceed \$38,000,000.00; and

(b) cooperate with the User with respect to the issuance of the Bonds, and, if arrangements therefore satisfactory to the User and the Issuer can be made, take such action and authorize the execution of such documents and take such further action as may be necessary or advisable for the authorization, execution, and delivery of any contracts or agreements deemed necessary and desirable by the User or the Issuer in connection with the issuance of the Bonds (collectively, the Contracts), providing among other things for payment of

the principal of, interest on, redemption premiums on, and paying agents' and trustee's fees and charges, if any, on the Bonds; payment of fees, charges, and expenses of the Issuer and the Housing Authority (including legal and financial advisory expenses); acquisition, construction, equipping, and improvement of the Project; and use, operation, and maintenance of the Project (and the execution of any necessary guaranty agreements), all as shall be authorized, required, or permitted by law and as shall be satisfactory to the Issuer, the Housing Authority, and the User; and

(c) if the proceeds from the sale of the Bonds are insufficient to complete the acquisition, construction, equipping, and improvement of the Project, take such actions and execute such documents as may be necessary to permit the issuance from time to time in the future of additional bonds on terms which shall be set forth therein, whether on a parity with other series of bonds or otherwise, for the purpose of paying the costs of completing the acquisition, construction, equipping, and improvement of the Project, as requested by the User and within then applicable limitations; and

(d) take or cause to be taken such other actions as may be required to implement the aforesaid undertakings or as it may deem appropriate in pursuance thereof.

The Bonds shall specifically provide that neither the State of Texas (State), the Housing Authority, nor any political issuer, subdivision, or agency of the State shall be obligated to pay the same or the interest thereon and that neither the faith and credit nor the taxing power of the State, the Housing Authority, or any political issuer, subdivision, or agency thereof is pledged to the payment of the principal of, premium, if any, or interest on the Bonds.

Section 2. It is understood by the Issuer, and the User has represented to the Issuer, that in consideration of the Issuer's adoption of this Resolution and by filing the Application, and subject to the terms and conditions hereof, the User has agreed that:

(a) prior to or contemporaneously with the sale of the Bonds in one or more series or issues from time to time as the Issuer and the User shall hereafter agree to in writing, the User will enter into the Contracts with the Issuer under the terms of which the User will obligate itself, on a nonrecourse basis, to pay to the Issuer (or to a trustee, as the case may be) sums sufficient in the aggregate to pay the principal of, interest on, redemption premiums on, paying agents' and trustee's fees and charges, if any, on the Bonds, as and when the same become due and payable, with such Contracts to contain the provisions described in Section 1 hereof and such other provisions as may be required or permitted by law and to be mutually acceptable to the Issuer and the User; and

(b) the User will (1) pay all Project costs which are not or cannot be paid or reimbursed from the proceeds of the Bonds and (2) at all times from and after the issuance of the Bonds, indemnify and hold harmless the Issuer and the Housing Authority against all losses, costs, damages, expenses, and liabilities of whatsoever nature (including but not limited to reasonable attorneys' fees, litigation and court costs, amounts paid in settlement, and amounts paid to discharge judgments) directly or indirectly resulting from, arising out of or related to the issuance, offering, sale, or delivery of the Bonds, or the design, construction, equipping, installation, operation, use, occupancy, maintenance, or ownership of the Project (other than claims arising from the gross negligence or willful misconduct of the Issuer or the Housing Authority) and prior

to or contemporaneously with the sale of the Bonds will agree to provide indemnification on terms satisfactory to the Issuer; and

(c) no Bonds will be issued without the approval of the Housing Authority.

Section 3. The User is hereby authorized to make all filings necessary to obtain and maintain tax credits on the Project.

Section 4. Except as expressly extended by the Issuer, it is understood by the Issuer and the User that all commitments of the Issuer with respect to the Project and the Bonds are subject to the condition that the Bonds shall have been issued no later than two years from the date of this Resolution.

Section 5. It is recognized and agreed by the Issuer that the User may exercise its rights and perform its obligations with respect to the financing of the Project either through (i) itself in its own name; (ii) any "related person" as defined in section 144(a)(3) of the Code; (iii) any legal successor thereto; (iv) an entity in which any of the above is a general partner or sole member; or (v) or any entity approved by the Issuer, provided that suitable guaranties necessary or convenient for the marketability of the Bonds shall be furnished, if required by the Issuer, and all references herein to the User shall be deemed to include the User acting directly through itself or any such approved entities.

Section 6. This Resolution shall be deemed to constitute the acceptance of the User's proposal that it be further induced to proceed with providing the Project. The Allocation Application and this Resolution shall constitute an agreement between the Issuer and the User effective on the date that this Resolution is adopted. This Resolution is affirmative official action taken by the Issuer towards the issuance of the Bonds in order to comply with the requirements of the Code. **Neither the User nor any other party is entitled to rely on this Resolution as a commitment to issue bonds or loan funds, and the Issuer reserves the right not to issue the Bonds either with or without cause and with or without notice, and in such event the Issuer shall not be subject to any liability or damages of any nature. Neither the User nor any one claiming by, through or under the User, nor any investment banking firm or potential purchaser of the Bonds shall have any claim against the Issuer whatsoever as a result of any decision by the Issuer not to issue the Bonds.**

Section 7. The Issuer hereby adopts this Resolution in order to satisfy the requirements of the Allocation Act pertaining to the issuance of the Bonds and authorizes any officer or designee of the Issuer to prepare and file a 2020 and/or 2021 Allocation Application and/or any carryforward applications associated with such Allocation Application, together with all required attachments (including obtaining the Issuer's Certificate of Good Standing from the Comptroller of Public Accounts for the State of Texas) in the form required by the Texas Bond Review Board.

Section 8. The Issuer respectfully requests that the Allocation Application be accepted and approved by the Texas Bond Review Board.

Section 9. Any officer of the Issuer (or his designee) is hereby authorized to execute the Allocation Application, to pay (or cause the User to pay) the Application Fee of \$5,000.00 for each Allocation Application (submitted to the Issuer by the User) to the Texas Bond Review Board and to submit any additional information or to make any necessary corrections or revisions

requested by the Texas Bond Review Board in order to satisfy the requirements of the Allocation Act in connection with the Allocation Application.

Section 10. The Board certifies that the Bonds are not being issued for the same stated purpose for which the Issuer has received sufficient carryforward during a prior year or for which there exists unexpended proceeds from a prior issue or issues of bonds issued by the Issuer.

Section 11. In connection with the issuance of the Bonds, the Board hereby authorizes its bond counsel to arrange for the publication of a notice of public hearing in the City of San Antonio, Texas regarding the Bonds for the purpose of complying with section 147(f) of the Code. The form of notice of such hearing and the date, place, and manner of its publication shall be acceptable to the Corporation's bond counsel. The hearing shall be held by the Corporation's bond counsel.

Section 12. Based upon representations from the User, the Issuer reasonably expects to reimburse the Expenditures with proceeds of the Bonds in a principal amount that will not exceed \$38,000,000.00. This Resolution shall constitute a declaration of official intent under the Treasury Regulation Section 1.150-2.

Section 13. The Board authorizes the President, Vice President, Secretary, Treasurer or any Assistant Secretary of the Board to execute any documents or certificates necessary to seek the approval of the Bonds by the Texas Attorney General.

Section 14. The recitals contained in the preamble hereof are hereby found to be true, and such recitals are hereby made a part of this Resolution for all purposes and are adopted as a part of the judgment and findings of the Board.

Section 15. All resolutions, or parts thereof, which are in conflict or inconsistent with any provision of this Resolution are hereby repealed to the extent of such conflict, and the provisions of this Resolution shall be and remain controlling as to the matters resolved herein.

Section 16. If any provision of this Resolution or the application thereof to any person or circumstance shall be held to be invalid, the remainder of this Resolution and the application of such provision to other persons and circumstances shall nevertheless be valid, and the Board hereby declares that this Resolution would have been enacted without such invalid provision.

Section 17. This Resolution shall be construed and enforced in accordance with the laws of the State of Texas and the United States of America.

Section 18. This Resolution shall be in force and effect from and after its passage.

Section 1. Subject to the terms hereof, the Issuer agrees that it will

(a) subject to the negotiation of mutually acceptable agreements, issue the Bonds, in an amount not to exceed \$38,000,000.00; and

(b) cooperate with the User with respect to the issuance of the Bonds, and, if arrangements therefore satisfactory to the User and the Issuer can be made, take such action and authorize the execution of such documents and take such further action as may be necessary or advisable for the authorization, execution, and delivery of any contracts or agreements deemed necessary and desirable by the User or the Issuer in connection with the

issuance of the Bonds (collectively, the Contracts), providing among other things for payment of the principal of, interest on, redemption premiums on, and paying agents' and trustee's fees and charges, if any, on the Bonds; payment of fees, charges, and expenses of the Issuer and the Housing Authority (including legal and financial advisory expenses); acquisition, construction, equipping, and improvement of the Project; and use, operation, and maintenance of the Project (and the execution of any necessary guaranty agreements), all as shall be authorized, required, or permitted by law and as shall be satisfactory to the Issuer, the Housing Authority, and the User; and

(c) if the proceeds from the sale of the Bonds are insufficient to complete the acquisition, construction, equipping, and improvement of the Project, take such actions and execute such documents as may be necessary to permit the issuance from time to time in the future of additional bonds on terms which shall be set forth therein, whether on a parity with other series of bonds or otherwise, for the purpose of paying the costs of completing the acquisition, construction, equipping, and improvement of the Project, as requested by the User and within then applicable limitations; and

(d) take or cause to be taken such other actions as may be required to implement the aforesaid undertakings or as it may deem appropriate in pursuance thereof.

The Bonds shall specifically provide that neither the State of Texas (State), the Housing Authority, nor any political issuer, subdivision, or agency of the State shall be obligated to pay the same or the interest thereon and that neither the faith and credit nor the taxing power of the State, the Housing Authority, or any political issuer, subdivision, or agency thereof is pledged to the payment of the principal of, premium, if any, or interest on the Bonds.

Section 2. It is understood by the Issuer, and the User has represented to the Issuer, that in consideration of the Issuer's adoption of this Resolution and by filing the Application, and subject to the terms and conditions hereof, the User has agreed that

(a) prior to or contemporaneously with the sale of the Bonds in one or more series or issues from time to time as the Issuer and the User shall hereafter agree to in writing, the User will enter into the Contracts with the Issuer under the terms of which the User will obligate itself, on a nonrecourse basis, to pay to the Issuer (or to a trustee, as the case may be) sums sufficient in the aggregate to pay the principal of, interest on, redemption premiums on, paying agents' and trustee's fees and charges, if any, on the Bonds, as and when the same become due and payable, with such Contracts to contain the provisions described in Section 1 hereof and such other provisions as may be required or permitted by law and to be mutually acceptable to the Issuer and the User; and

(b) the User will (1) pay all Project costs which are not or cannot be paid or reimbursed from the proceeds of the Bonds and (2) at all times from and after the issuance of the Bonds, indemnify and hold harmless the Issuer and the Housing Authority against all losses, costs, damages, expenses, and liabilities of whatsoever nature (including, but not limited to, reasonable attorneys' fees, litigation and court costs, amounts paid in settlement, and amounts paid to discharge judgments) directly or indirectly resulting from, arising out of or related to the issuance, offering, sale, or delivery of the Bonds, or the design, construction, equipping, installation, operation, use, occupancy, maintenance, or ownership of the Project (other than claims arising from the gross negligence or willful misconduct of the Issuer or the Housing Authority) and prior

to or contemporaneously with the sale of the Bonds will agree to provide indemnification on terms satisfactory to the Issuer; and

(c) no Bonds will be issued without the approval of the Housing Authority.

Section 3. The User is hereby authorized to make all filings necessary to obtain and maintain tax credits on the Project.

Section 4. Except as expressly extended by the Issuer, it is understood by the Issuer and the User that all commitments of the Issuer with respect to the Project and the Bonds are subject to the condition that the Bonds shall have been issued no later than two years from the date of this Resolution.

Section 5. It is recognized and agreed by the Issuer that the User may exercise its rights and perform its obligations with respect to the financing of the Project either through (i) itself in its own name; (ii) any "related person" as defined in section 144(a)(3) of the Code; (iii) any legal successor thereto; (iv) an entity in which any of the above is a general partner or sole member; or (v) or any entity approved by the Issuer, provided that suitable guaranties necessary or convenient for the marketability of the Bonds shall be furnished, if required by the Issuer, and all references herein to the User shall be deemed to include the User acting directly through itself or any such approved entities.

Section 6. This Resolution shall be deemed to constitute the acceptance of the User's proposal that it be further induced to proceed with providing the Project. The Allocation Application and this Resolution shall constitute an agreement between the Issuer and the User effective on the date that this Resolution is adopted. This Resolution is affirmative official action taken by the Issuer towards the issuance of the Bonds in order to comply with the requirements of the Code. **Neither the User nor any other party is entitled to rely on this Resolution as a commitment to issue bonds or loan funds, and the Issuer reserves the right not to issue the Bonds either with or without cause and with or without notice, and in such event the Issuer shall not be subject to any liability or damages of any nature. Neither the User nor any one claiming by, through or under the User, nor any investment banking firm or potential purchaser of the Bonds shall have any claim against the Issuer whatsoever as a result of any decision by the Issuer not to issue the Bonds.**

Section 7. The Issuer hereby adopts this Resolution in order to satisfy the requirements of the Allocation Act pertaining to the issuance of the Bonds and authorizes any officer or designee of the Issuer to prepare and file a 2020 and/or 2021 Allocation Application and/or any carryforward applications associated with such Allocation Application, together with all required attachments (including obtaining the Issuer's Certificate of Good Standing from the Comptroller of Public Accounts for the State of Texas) in the form required by the Texas Bond Review Board.

Section 8. The Issuer respectfully requests that the Allocation Application be accepted and approved by the Texas Bond Review Board.

Section 9. Any officer of the Issuer (or his designee) is hereby authorized to execute the Allocation Application, to pay (or cause the User to pay) the Application Fee of \$5,000 for each Allocation Application (submitted to the Issuer by the User) to the Texas Bond Review Board and to submit any additional information or to make any necessary corrections or revisions

requested by the Texas Bond Review Board in order to satisfy the requirements of the Allocation Act in connection with the Allocation Application.

Section 10. The Board certifies that the Bonds are not being issued for the same stated purpose for which the Issuer has received sufficient carryforward during a prior year or for which there exists unexpended proceeds from a prior issue or issues of bonds issued by the Issuer.

Section 11. In connection with the issuance of the Bonds, the Board hereby authorizes its bond counsel to arrange for the publication of a notice of public hearing in the City of San Antonio, Texas regarding the Bonds for the purpose of complying with section 147(f) of the Code. The form of notice of such hearing and the date, place, and manner of its publication shall be acceptable to the Corporation's bond counsel. The hearing shall be held by the Corporation's bond counsel.

Section 12. Based upon representations from the User, the Issuer reasonably expects to reimburse the Expenditures with proceeds of the Bonds in a principal amount that will not exceed \$38,000,000.00. This Resolution shall constitute a declaration of official intent under the Treasury Regulation Section 1.150-2.

Section 13. The Board authorizes the President, Vice President, Secretary, Treasurer or any Assistant Secretary of the Board to execute any documents or certificates necessary to seek the approval of the Bonds by the Texas Attorney General.

Section 14. The recitals contained in the preamble hereof are hereby found to be true, and such recitals are hereby made a part of this Resolution for all purposes and are adopted as a part of the judgment and findings of the Board.

Section 15. All resolutions, or parts thereof, which are in conflict or inconsistent with any provision of this Resolution are hereby repealed to the extent of such conflict, and the provisions of this Resolution shall be and remain controlling as to the matters resolved herein.

Section 16. If any provision of this Resolution or the application thereof to any person or circumstance shall be held to be invalid, the remainder of this Resolution and the application of such provision to other persons and circumstances shall nevertheless be valid, and the Board hereby declares that this Resolution would have been enacted without such invalid provision.

Section 17. This Resolution shall be construed and enforced in accordance with the laws of the State of Texas and the United States of America.

Section 18. This Resolution shall be in force and effect from and after its passage.

**REQUESTED ACTION:**

Consideration and approval regarding Resolution 20LVPFC-08-10, concerning the application of Buckhorn Lofts, LP relating to the proposed financing of up to \$38,000,000.00 of the costs of the acquisition, construction, and equipping of the Buckhorn Lofts, to be located at approximately 10805 N Loop 1604, San Antonio, Texas; and other matters in connection therewith.

**FINANCIAL IMPACT:**

None at this time. However, by authorizing us to submit applications early, this project has a greater chance of being done, which could mean millions of dollars in additional revenue.

**SUMMARY:**

Today we are seeking authority to file applications relating to our proposed Buckhorn Lofts 4% tax credit projects. As you will recall, all 4% tax credit projects must be financed in part with tax-exempt bonds. In order to issue tax-exempt bonds, the issuer must obtain a volume cap allocation from the Texas Bond Review Board. This is time sensitive and can be competitive. We will apply for volume cap which may not be awarded until the end of the year, if any volume cap is available. We need to submit our applications as soon as we can. We will also have to apply for the tax credits to the Texas Department of Housing and Community Development.

Accordingly, we are asking you to authorize these actions so that we may get in line, however, ***we are not asking you to specifically approve or be bound to this project. These are non-binding Resolutions.*** This will enable us to move forward, make applications for volume cap and tax credits and begin to put the financings together and negotiate the specific terms of the deals, which we will bring back to you for approval.

The Buckhorn Lofts project is a 324-unit project proposed by the NRP Group to be located at approximately 10805 N Loop 1604, San Antonio, Texas. It is proposed to contain 32 units at 40% of the median income and below, 260 units at 60% of the median income and 32 units at 70% of median income. All units will have restricted rent and must accept Section 8 vouchers. The total project cost is estimated to be approximately \$38,000,000.00.

**LAS VARAS PUBLIC FACILITY CORPORATION**

**August 6, 2020**

Las Varas Public Facility Corporation will be the proposed issuer of the bonds. The San Antonio Housing Facility Corporation will own the land and create a single member limited liability company to serve as the general partner of the tax credit partnership which will own the project.

The attached Resolution authorizes Las Varas Public Facility Corporation and the San Antonio Housing Facility Corporation to approve inducement Resolutions for the above project.

**STRATEGIC GOAL:**

Strategically expand the supply of affordable housing.

**WHEREAS**, the Housing Authority of the City of San Antonio, Texas (Housing Authority), has, pursuant to the Texas Public Facility Corporations Act, Chapter 303, Texas Local Government Code, as amended (Act), approved and created the Las Varas Public Facility Corporation, a nonstock, nonprofit public facility corporation (Issuer); and

**WHEREAS**, the Issuer, on behalf of the Housing Authority, is empowered to finance the costs of residential ownership and development that will provide decent, safe, and sanitary housing at affordable prices for residents of the City by the issuance of housing revenue bonds; and

**WHEREAS**, Buckhorn Lofts, LP, a Texas limited partnership (or such other similarly named partnership as designated by the sole member of the User's general partner, as the User), will file an Application (Application), requesting that (i) the Issuer finance the acquisition, construction, and equipping of a proposed 324-unit multifamily housing facility to be located on the tract shown on the attached map and known as the Buckhorn Lofts (Project); and (ii) the Issuer file a 2020 and/or 2021 Allocation Application (defined hereafter) and/or any carryforward applications associated with such Allocation Applications to the Texas Bond Review Board as described herein; and

**WHEREAS**, the User has advised the Issuer that a contributing factor that would further induce the User to proceed with providing for the acquisition, construction, equipping, and improvement of the Project would be a commitment and agreement by the Board of Directors (Board) of the Issuer to issue housing revenue bonds pursuant to the Act (Bonds) to finance and pay any Development Costs, as defined in the Act, for the Project; and

**WHEREAS**, in view of rising construction costs and the necessity of compliance with administrative regulations, it is considered essential that acquisition, construction, equipping, and improvement of the Project be completed at the earliest practicable date after satisfactory preliminary assurances from the Issuer that the proceeds of the sale of the Bonds, or other obligations, of the Issuer in an amount necessary to pay the Development Costs of the Project, will be made available to finance the Project; and

**WHEREAS**, this Resolution shall constitute the Issuer's commitment, subject to the terms hereof, to issue Bonds, or other obligations, pursuant to the Act in an amount prescribed by the User now contemplated not to exceed \$38,000,000.00 and to expend the proceeds thereof to pay Development Costs including costs of acquisition, construction, equipping, and improvement of the Project, funding a debt service or other reserve fund for the Project, and paying expenses and costs in connection with the issuance of the Bonds, including costs of obtaining credit enhancement, if any; and

**WHEREAS**, the Bonds are "private activity bonds" as that term is defined in Subchapter A, Section 1372.001 of Chapter 1372, Texas Government Code, as amended, including the rules

promulgated pursuant thereto in 34 Texas Administrative Code, Sections 190.1 through 190.8 (together, the Allocation Act), and various provisions of the Internal Revenue Code of 1986, as amended (Code); and

**WHEREAS**, the Code requires that the applicable elected official of the City approve the issuance of the Bonds after a public hearing for which reasonable public notice shall have been given; and

**WHEREAS**, the Issuer is authorized by the provisions of the Act to issue the Bonds; and

**WHEREAS**, in order to issue the Bonds in the manner contemplated, the Issuer must seek an allocation of the State of Texas volume cap pertaining to private activity bonds in order to satisfy the provisions of the Code; and

**WHEREAS**, in order to satisfy, in part, the provisions of the Allocation Act, the Issuer must submit an "Application for Allocation of Private Activity Bonds" or a "Application for Carryforward for Private Activity Bonds" (Allocation Application) to the Texas Bond Review Board and adopt this Resolution authorizing the filing or refiling of the Allocation Application; and

**WHEREAS**, the Allocation Application and the Allocation Act require that the Issuer certify that the Bonds are not being issued for the same stated purpose for which the Issuer has received sufficient carryforward during a prior year or for which there exists unexpended proceeds from a prior issue or issues of bonds issued by the Issuer; and

**WHEREAS**, the User intends to make capital expenditures in connection with the acquisition, construction, equipping, and improvement of the Project (Expenditures) and expects to reimburse the Expenditures with proceeds of the Bonds; and

**WHEREAS**, in order to allocate under Treasury Regulation §1.150-2 (Regulation) proceeds of the Bonds to the Expenditures, the Issuer must declare its reasonable expectation to reimburse the Expenditures; and

**WHEREAS**, the User has requested authorization to make all filings necessary to obtain and maintain debt financing and tax credits on the Project; and

**WHEREAS**, the Board has determined that it is in the public interest and to the benefit of the citizens and residents of San Antonio for the various entities to enter into the transactions described above so that the User may construct the Project.

**NOW, THEREFORE, BE IT RESOLVED** that the Board of Directors of Las Varas Public Facility Corporation hereby:

Section 1. Subject to the terms hereof, the Issuer agrees that it will

(a) subject to the negotiation of mutually acceptable agreements, issue the Bonds, in an amount not to exceed \$38,000,000.00; and

(b) cooperate with the User with respect to the issuance of the Bonds, and, if arrangements therefore satisfactory to the User and the Issuer can be made, take such action and authorize the execution of such documents and take such further action as may be necessary or advisable for the authorization, execution, and delivery of any contracts or agreements deemed necessary and desirable by the User or the Issuer in connection with the

issuance of the Bonds (collectively, the Contracts), providing among other things for payment of the principal of, interest on, redemption premiums on, and paying agents' and trustee's fees and charges, if any, on the Bonds; payment of fees, charges, and expenses of the Issuer and the Housing Authority (including legal and financial advisory expenses); acquisition, construction, equipping, and improvement of the Project; and use, operation, and maintenance of the Project (and the execution of any necessary guaranty agreements), all as shall be authorized, required, or permitted by law and as shall be satisfactory to the Issuer, the Housing Authority, and the User; and

(c) if the proceeds from the sale of the Bonds are insufficient to complete the acquisition, construction, equipping, and improvement of the Project, take such actions and execute such documents as may be necessary to permit the issuance from time to time in the future of additional bonds on terms which shall be set forth therein, whether on a parity with other series of bonds or otherwise, for the purpose of paying the costs of completing the acquisition, construction, equipping, and improvement of the Project, as requested by the User and within then applicable limitations; and

(d) take or cause to be taken such other actions as may be required to implement the aforesaid undertakings or as it may deem appropriate in pursuance thereof.

The Bonds shall specifically provide that neither the State of Texas (State), the Housing Authority, nor any political issuer, subdivision, or agency of the State shall be obligated to pay the same or the interest thereon and that neither the faith and credit nor the taxing power of the State, the Housing Authority, or any political issuer, subdivision, or agency thereof is pledged to the payment of the principal of, premium, if any, or interest on the Bonds.

Section 2. It is understood by the Issuer, and the User has represented to the Issuer, that in consideration of the Issuer's adoption of this Resolution and by filing the Application, and subject to the terms and conditions hereof, the User has agreed that

(a) prior to or contemporaneously with the sale of the Bonds in one or more series or issues from time to time as the Issuer and the User shall hereafter agree to in writing, the User will enter into the Contracts with the Issuer under the terms of which the User will obligate itself, on a nonrecourse basis, to pay to the Issuer (or to a trustee, as the case may be) sums sufficient in the aggregate to pay the principal of, interest on, redemption premiums on, paying agents' and trustee's fees and charges, if any, on the Bonds, as and when the same become due and payable, with such Contracts to contain the provisions described in Section 1 hereof and such other provisions as may be required or permitted by law and to be mutually acceptable to the Issuer and the User; and

(b) the User will (1) pay all Project costs which are not or cannot be paid or reimbursed from the proceeds of the Bonds and (2) at all times from and after the issuance of the Bonds, indemnify and hold harmless the Issuer and the Housing Authority against all losses, costs, damages, expenses, and liabilities of whatsoever nature (including but not limited to reasonable attorneys' fees, litigation and court costs, amounts paid in settlement, and amounts paid to discharge judgments) directly or indirectly resulting from, arising out of or related to the issuance, offering, sale, or delivery of the Bonds, or the design, construction, equipping, installation, operation, use, occupancy, maintenance, or ownership of the Project (other than claims arising from the gross negligence or willful misconduct of the Issuer or the Housing Authority) and prior

to or contemporaneously with the sale of the Bonds will agree to provide indemnification on terms satisfactory to the Issuer; and

(c) no Bonds will be issued without the approval of the Housing Authority.

Neither the User nor any one claiming by, through or under the User, nor any investment banking firm or potential purchaser of the Bonds shall have any claim against the Issuer whatsoever as a result of any decision by the Issuer not to issue the Bonds.**

Section 7. The Issuer hereby adopts this Resolution in order to satisfy the requirements of the Allocation Act pertaining to the issuance of the Bonds and authorizes any officer or designee of the Issuer to prepare and file a 2020 and/or 2021 Allocation Application and/or any carryforward applications associated with such Allocation Application, together with all required attachments (including obtaining the Issuer's Certificate of Good Standing from the Comptroller of Public Accounts for the State of Texas) in the form required by the Texas Bond Review Board.
