ITEMS FOR BOARD APPROVAL

Item 4: **Consideration and appropriate action regarding Resolution 6130, authorizing the award of a contract for Victoria Plaza elevator modernization to Schindler Elevator Corporation through Sourcewell, a Nationwide Purchasing Cooperative; for an amount not to exceed $390,035.00** (George Ayala, Director of Procurement; Hector Martinez, Director of Construction Services and Sustainability)

Mr. Hector Martinez, Director of Construction Services and Sustainability, reported that Victoria Plaza has been under a substantial renovation construction project and the elevator systems have been heavily used throughout the project to provide access to all nine floors for construction workers, personnel, their tools, some material, and removal of some waste. As the project is approaching completion, the modernization of the elevator systems, doors, and cabs will provide several benefits, including safety and fire protection improvements, and the upgrade and improved reliability of the systems for moving clients up and down the building as required, which will be especially beneficial during the re-occupancy of all 185 apartment units. SAHA requires the services of a vendor to provide elevator modernization to the elevators at this development.

The U.S. Department of Housing and Urban Development encourages Housing Authorities to utilize cooperative and interagency agreements to simplify and expedite the procurement processes. The cooperatives award contracts based on a competitive bid or proposal process; therefore, SAHA is not required to issue its own competitive solicitation in cases where the use of available contracts is appropriate and in accordance with SAHA procurement policies.

SAHA received Board approval on August 6, 2020 (Resolution 6045) to allow SAHA to become a participating member of Sourcewell, formerly National Joint Powers Alliance, a nationwide purchasing cooperative created by the Minnesota legislature as a local unit of government. SAHA’s membership allows the agency to utilize any of Sourcewell’s awarded contracts, on an as-needed basis in accordance with the SAHA Procurement Policy.
Mr. George Ayala, Director of Procurement, explained that on June 16, 2020, Sourcewell issued RFP #080420 for elevators, escalators, and moving walkways with related equipment, services, and supplies that closed on August 4, 2020. Schindler Elevator Corporation was awarded a contract that was effective August 26, 2020, through August 28, 2024, unless canceled sooner pursuant to Article 24. This contract may be extended up to one additional one-year period upon request of Sourcewell and with written agreement by the vendor.

We are requesting your approval to utilize Schindler through their Sourcewell contract for the elevator modernization project at Victoria Plaza Apartments.

Chair Guzman and Vice Chair Weaver requested a budget comparison report between the original approved budget and updated modified budget to be provided for all future developments when increases to the original budget are recommended.

Chair Guzman requested presentations regarding SAHA sites with completed renovations to include before and after photos, site history, and future goals.

Motion: Chair Guzman called for a motion for final approval of Resolution 6130. Vice Chair Weaver moved to approve the resolution. Commissioner Perez seconded the motion. Approved.

Item 5: Consideration and appropriate action regarding Resolution 6137, authorizing the award of contracts for mowing and grounds maintenance services for Beacon Communities to A&S Landscaping Services (ESBE, HABE, MBE, SBE, VBE, Section 3 Business), Blue Lacy Landscape & Maintenance (HABE), Champion Lawn Care (HABE, Section 3 Business), and Olympia Landscape Development, Inc. (HABE, MBE, SBE) for an annual cumulative amount not to exceed $500,000.00; for a period of one year with the option to renew up to four additional one year terms (George Ayala, Director of Procurement; Kristi Baird, Director of Beacon Communities)

Ms. Kristi Baird, Director of Beacon Communities, reported that SAHA requires the services of vendors to provide routine scheduled mowing service and as needed grounds maintenance services to properties within the Beacon Communities portfolio and properties transitioning back from third party management companies. This approval will allow for SAHA staff to engage a pool of vendors, with property assignments under this award being made administratively by leadership for Beacon Communities.

Mr. Ayala explained that on January 15, 2021, SAHA issued a Request For Proposals (RFP) #2008-988-36-5096 for Mowing and Ground Maintenance for Beacon Communities that closed on February 23, 2021. The RFP was published on the SAHA website, Electronic State Business
Daily (ESBD), The Hart Beat, posted on NAHRO, Public Purchase, and directly solicited to 50 vendors. A total of 11 proposals were received in response to this solicitation: 4 Tandem, LLC (HABE, MBE, WBE), A&S Landscaping Services (ESBE, HABE, MBE, SBE, VBE, Section 3 Business), Antu Enterprise, LLC (ESBE, HABE, MBE, SBE, WBE), B&T Dependable Services (AABE, DBE, DIBE, ESBE, MBE, SBE, VBE), Blue Lacy Landscape & Maintenance (HABE), C&M Quality Landscaping, Champion Lawn Care (HABE, Section 3 Business), CutRite, LLC (HABE), Maldonado Nursery & Landscape, Inc. (HABE), Olympia Landscape Development, Inc. (HABE, MBE, SBE), and TMG USA, LLC.

All proposals were evaluated on the following criteria: experience, key personnel, capacity, project management and plan, price, and strength of the contractor's Section 3 and SWMBE Utilization Plans. Based on the above, staff are recommending contract awards to A&S Landscaping, Blue Lacy Landscape and Maintenance Co., Champion Lawn Care, and Olympia Landscape Development, Inc. They are the highest rated qualified proposers.

Vice Chair Weaver opened the Public Hearing regarding the Proposed 2021-2022 Moving to Work (MTW) Agency Plan at 1:58 PM and announced the Public Hearing Agenda.

**Item 6:** Hold a Public Hearing and consideration and appropriate action regarding Resolution 6123, authorizing the proposed 2021-2022 Moving to Work (MTW) Agency Plan, including revisions to the MTW Plan, the Public Housing Admissions and Continued Occupancy Policy (ACOP), the Housing Choice Voucher Administrative Plan (Admin Plan), the Capital Fund Program Plan (CFP), the five-year Capital Improvement and Development Plan, and the Family Self-Sufficiency (FSS) Program Action Plan (Richard Milk, Director of Policy and Planning)

Sara Eaves, Policy and Planning Manager, reported that the U.S. Department of Housing and Urban Development (HUD) requires Public Housing Authorities (PHAs) to annually submit a five-year plan and an annual business plan, commonly referred to as the Agency Plan(s). Due to SAHA’s designation as a Moving-to-Work (MTW) agency, the MTW Plan serves as SAHA’s Agency Plan. The MTW Plan includes: the Public Housing Admissions and Continued Occupancy Plan (ACOP), the Housing Choice Voucher Administrative Plan (Admin Plan), and the Capital Fund Program Plan (CFP). The MTW Plan also describes SAHA’s policies, programs, operations, strategies, and flexibilities in meeting the local housing needs and goals.

The 2021-2022 MTW Plan is an integral element of the agency’s Five-Year Strategic Plan.

SAHA is on track to complete the 2021-2022 Agency Plan in time for May submission to HUD.
I. Proposed New MTW Activities: The Agency is not proposing any new MTW activities.

II. Proposed Amendments to Existing Activities: The Agency is not proposing any amendments to existing activities.

III. Revisions to Housing Choice Voucher (HCV) Administrative Plan and Public Housing Admissions and Continued Occupancy Policy (ACOP)

- 3.3.C MANDATORY DENIAL OF ASSISTANCE
  - This section adds language to clarify that SAHA will screen applicants for drug-related criminal activity against the SAHA Screening Criteria Grid, which applies different lookback periods depending on the severity of the crime. Previous policy applied a lookback period of five years to all previous drug-related criminal activity.

- 3.3.C MANDATORY DENIAL OF ASSISTANCE AND 16.3.B FAMILY DEBTS TO SAHA
  - These sections add language to allow SAHA to set up repayment agreements with applicant families who owe debts to SAHA.
  - The reason for these changes is to make the Housing Choice Voucher (HCV) Program and Public Housing Program more accessible to applicant families.

- 9.3.C/11.2.C INTERIM REEXAMINATIONS
  - Language was added for 9.3.C in the ACOP and 11.2.C in the Admin Plan to specify that SAHA will not decrease income from child support payments or temporary employment until it has been decreased for three consecutive months. At that time, SAHA will process the decrease retroactively to the first of the month following the date in which the decrease was initially reported.
  - This language is being added to align policy with current procedures; since child support payments and temporary employment can stop and start periodically, waiting for supporting documentation will reduce the administrative burden due to the changing nature of those payments.

IV. Revisions to Housing Choice Voucher (HCV) ACOP Only

- 4.2.B ORGANIZATION OF THE WAITING LIST
  - Beginning July 1, 2021, new Public Housing applicants will be added to a single, community-wide waiting list with all SAHA developments. Within that list, SAHA will designate subparts to easily identify who should be offered the next available unit (i.e., general occupancy developments, elderly/disabled developments, accessible units).
  - SAHA will maintain the current, single, community-wide waiting list with preferred developments until exhausted.

- 4.3.B SELECTION METHOD
  - This section adds Marie McGuire to the list of available properties under the 80/20 Elderly Preference.
  - The 80/20 Elderly Preference maintains a 4-to-1 elderly to non-elderly disabled residents population at select properties.

- 9.3.B CHANGES IN FAMILY AND HOUSEHOLD COMPOSITION
Language was added to this section to establish a timeframe of 10 business days for move-out of live-in aides when the Head of Household (sole family member) passes away.

- 9.3.C INTERIM REEXAMINATIONS
  - This section was updated to state that SAHA will not process increases in income over $200.00 in earned and unearned monthly income, including new employment.

- 12.4.F TRANSFER PROCESSING
  - This section was updated to revert back to policy from 2017 and states that SAHA will not conduct an annual reexamination at transfer. This change will alleviate staff burden, which has increased since the policy was changed after 2017.

- 16.6.B RECORD RETENTION
  - Language was added to clarify that documents should be maintained in the file for at least three recertifications.

V. Revisions to Housing Choice Voucher (HCV) Administrative Plan Only

- 3.1.M LIVE-IN AIDE
  - Language was updated to specify that SAHA may approve a family to have more than one live-in aide, if it is determined to be a reasonable accommodation for a disability.

- 3.2.A INCOME AND ELIGIBILITY
  - Language was added to state that SAHA will be administering enhanced vouchers.
  - Enhanced vouchers provide certain tenant protections for low-income families who reside in private properties that are converting from HUD rental assistance programs.

- 3.3.D OTHER PERMITTED REASONS FOR DENIAL
  - Language was updated to clarify that SAHA will deny assistance for previous terminations (unrelated to drug-related criminal activity) up to three years prior to selection from the waitlist, rather than five years prior.
  - This aligns with policy in place for SAHA's Public Housing Program. The reason for this change is to make the HCV Program more accessible to our applicant families.

- 5.2.B DETERMINING FAMILY UNIT (VOUCHER) SIZE
  - Language was added to 5.2.B(4) to specify situations where anticipated children will be counted in the family voucher size; pregnancy will be counted upon submission of supporting documentation and adoptions will be counted after proof that the adoption is complete or awarded.

- 8.1.B ADDITIONAL LOCAL REQUIREMENTS
  - Language was added to this section from previous policy (Admin Plan FY17-18) to revert to allowing landlords an option to obtain verification of additional bedrooms through Bexar County Appraisal District (BCAD) or a licensed professional, versus requiring authorization only through BCAD.

- 8.2.F INSPECTION RESULTS AND REINSPECTIONS FOR UNITS UNDER HAP CONTRACT
  - Language was updated to reflect current practice that SAHA posts inspection results for the owner electronically to the Landlord Portal.

- 16.3.B INFORMAL REVIEWS
○ Language was added to 16.3.B(3)(c) to state that SAHA will provide an informal review upon the denial of a voucher term extension or suspension.
○ Even if SAHA is not required to by HUD to provide a review under this circumstance [24 CFR 982.555], permitting these informal reviews has often resulted in overturns and additional chances for the family.

● 18.6.C ORGANIZATION OF THE WAITING LIST
○ Language was updated to establish a single waiting list for the Project-Based Voucher (PBV) Program. While SAHA currently administers separate waiting lists for each PBV development, the consolidation will streamline waitlist management and reduce applicant wait times.

● 18.6.D SELECTION FROM THE WAITING LIST
○ Language was removed from this section to clarify that the St. Philip's College Homeless Program is not being administered as a PBV program.

● 19.3.A SELECTION FROM THE WAITING LIST
○ Language was added to allow SAHA to assist Moderate Rehabilitation (Mod-Rehab) partners in converting to Rental Assistance Demonstration (RAD) if they express interest to SAHA.

Mr. Joel Tabar, Director of Community Development Initiatives, discussed the Family Self-Sufficiency (FSS) Action Plan.

VI. Family Self-Sufficiency (FSS) Action Plan
● The agency has developed a comprehensive FSS Action Plan that includes regulatory requirements and SAHA policy to cover all areas of the FSS Program.
● The proposed FY21-22 FSS Action Plan does not include substantive changes to the policy or procedures of the FSS Program, and instead allows SAHA to incorporate additional public input by including it within the MTW Plan.
● The proposed language of the FSS Action Plan complies with federal regulations and HUD recommendations, while also encouraging residents, community partners, and the public to participate in the policymaking process.

VII. Capital Fund Program (CFP): General description of all planned Capital Fund Expenditures during the plan year

Housing Preservation Plans:
Public Housing: Over the next five (5) years, the Agency plans to invest approximately $17 million in capital repairs to extend the useful life at 26 properties and approximately 2,253 housing units.

Beacon Communities: In the coming years, the Agency plans to invest approximately $26 million in capital repairs to extend the useful life at 21 properties and approximately 2,901 units in the Beacon Communities portfolio.

Housing Expansion Plans:

(HABE, MBE, SBE) FOR AN ANNUAL CUMULATIVE AMOUNT NOT TO EXCEED $500,000.00; FOR A PERIOD OF ONE YEAR WITH THE OPTION TO RENEW UP TO FOUR ADDITIONAL ONE YEAR TERMS

REQUESTED ACTION:
Consideration and approval regarding Resolution 6137, authorizing the award of contracts for mowing and grounds maintenance services for Beacon Communities to A&S Landscaping Services (ESBE, HABE, MBE, SBE, VBE, Section 3 Business), Blue Lacy Landscape & Maintenance (HABE), Champion Lawn Care (HABE, Section 3 Business), and Olympia Landscape Development, Inc. (HABE, MBE, SBE) for an annual cumulative amount not to exceed $500,000.00; for a period of one year with the option to renew up to four additional one year terms.

FINANCIAL IMPACT:
The current award recommendation for mowing and grounds maintenance services for Beacon Communities is not expected to exceed an annual cumulative amount of $500,000.00. We have added amounts for properties transitioning back from third party management companies and to allow for additional services. These services will be funded by properties operating budgets and/or operating reserves.

SUMMARY:
SAHA requires the services of vendors to provide routine scheduled mowing service and as needed grounds maintenance services to properties within the Beacon Communities portfolio and properties transitioning back from third party management companies. This approval will allow for SAHA staff to engage a pool of vendors, with property assignments under this award being made administratively by leadership for Beacon Communities.

On January 15, 2021, SAHA issued a Request For Proposals (RFP) #2008-988-36-5096 for Mowing and Ground Maintenance for Beacon Communities that closed on February 23, 2021. The RFP was published on the SAHA website, Electronic State Business Daily (ESBD), The Hart Beat, posted on NAHRO, Public Purchase, and directly solicited to 50 vendors. A total of 11 proposals were received in response to this solicitation: 4 Tandem, LLC (HABE, MBE, WBE), A&S Landscaping Services (ESBE, HABE, MBE, SBE, VBE, Section 3 Business), Antu Enterprise, LLC (ESBE, HABE, MBE, SBE, WBE), B&T Dependable Services (AABE, DBE, DIBE, ESBE, MBE, SBE, VBE), Blue Lacy Landscape & Maintenance (HABE), C&M Quality Landscaping, Champion Lawn...
Care (HABE, Section 3 Business), CutRite, LLC (HABE), Maldonado Nursery & Landscape, Inc. (HABE), Olympia Landscape Development, Inc. (HABE, MBE, SBE), and TMG USA, LLC.

All proposals were evaluated on the following criteria: experience, key personnel, capacity, project management and plan, price, and strength of the contractor’s Section 3 and SWMBE Utilization Plans. Based on the above, staff are recommending contract awards to A&S Landscaping, Blue Lacey Landscape and Maintenance Co., Champion Lawn Care, and Olympia Landscape Development, Inc. They are the highest rated qualified proposers.

RESOLUTIONS 6140 AND 21FAC-04-16, AUTHORIZING VISTA AT EVEREST DEVELOPMENT, LLC, AS DEVELOPER OF VISTA AT EVEREST TRANSACTION INCLUDING: (I) EXECUTION OF ALL DOCUMENTATION NECESSARY TO CARRY OUT TRANSACTION; (II) AUTHORIZING THE SAN ANTONIO HOUSING FACILITY CORPORATION TO SERVE AS PRIME CONTRACTOR; (III) TO ENTER INTO THE AGREEMENT OF LIMITED PARTNERSHIP FOR VISTA AT EVEREST; AND (IV) OBTAINING TEXAS DEPARTMENT OF HOUSING AND COMMUNITY AFFAIRS TAX CREDITS FOR THE PROJECT AND OTHER MATTERS IN CONNECTION HEREWITH

REQUESTED ACTION:
Consideration and approval regarding Resolutions 6140 and 21FAC-04-16, authorizing Vista at Everest Development, LLC, as developer of Vista at Everest transaction including: (I) execution of all documentation necessary to carry out transaction; (II) authorizing the San Antonio Housing Facility Corporation to serve as prime contractor; (III) to enter into the agreement of limited partnership for Vista at Everest; and (IV) obtaining Texas Department of Housing and Community Affairs tax credits for the project and other matters in connection herewith.

FINANCIAL IMPACT:
SAHA will receive a developer fee, cash flow, and a bargain purchase option. SAHA’s developer fee will be paid over the closing, construction, and stabilization period in the amount of approximately $1,823,814.00. Tax Credits are being purchased by Bank of America at the price of 93 cents, which is currently very good. The property will have a 1.2 debt coverage ratio with guarantees provided by Howard D. Cohen Revocable Trust. We also receive 50% of the cash flow, which is less than $50,000.00 per year as the cash flow is put back into the development to provide the deeper affordability. Finally, we will have the bargain purchase price on the development for the outstanding debt. Because the development is financed with 9% tax credits, there is tremendous value in the bargain purchase option.

SUMMARY:
Howard D. Cohen is Chief Executive Officer of Atlantic Pacific Companies, a fourth-generation real estate company with expertise in the development of tax credit properties. It has offices in Texas, Florida, Georgia, and California. Howard D. Cohen received two competitive 9% awards last year in San Antonio. They have asked SAHA to partner in both of those developments.

Vista at Everest will comprise a new, 4-story slab on grade building with 64 rental units (32 one-bedroom units and 32 two-bedroom units). All units will be affordable, and rents will be set as follows: 2 units at or below 20% AMI, 5 units at or below 30% AMI, 16 units at or below 50% AMI, and 41 units at or below 60% AMI.
The new development will provide a mix of one- and two-bedroom units with appropriate design considerations and amenities. Vista at Everest will represent the very best housing in terms of quality and sustainability in the marketplace today.

Vista at Everest, L.P. will partner with the San Antonio Housing Authority, which will benefit both entities. The partnership will receive the benefit of the San Antonio Housing Facility Corporation’s ad valorem tax exemption, as well as its sales tax exemption, and the agency will add units to its affordable housing portfolio, enabling the agency to serve more residents and further its mission. Vista at Everest, L.P. will provide ongoing guarantees and long-term property management.

RESIDENT FOCUSED OUTCOMES:

- SAHA residents have a sufficient supply of affordable housing options.
- SAHA residents live in quality affordable housing.

RESOLUTION 6123, AUTHORIZING THE PROPOSED 2021-2022 MOVING TO WORK (MTW) AGENCY PLAN, INCLUDING REVISIONS TO THE MTW PLAN, THE PUBLIC HOUSING ADMISSIONS AND CONTINUED OCCUPANCY PLAN (ACOP), THE HOUSING CHOICE VOUCHER ADMINISTRATIVE PLAN (ADMIN PLAN), THE CAPITAL FUND PROGRAM PLAN (CFP), THE FIVE-YEAR CAPITAL IMPROVEMENT AND DEVELOPMENT PLAN, AND THE FAMILY SELF-SUFFICIENCY (FSS) PROGRAM ACTION PLAN

REQUESTED ACTION:
Public Hearing and consideration and approval regarding Resolution 6123, authorizing the proposed 2021-2022 Moving to Work (MTW) Agency Plan, including revisions to the MTW Plan, the Public Housing Admissions and Continued Occupancy Policy (ACOP), the Housing Choice Voucher Administrative Plan (Admin Plan), the Capital Fund Program Plan (CFP), the Five-Year Capital Improvement and Development Plan, and the Family Self-Sufficiency (FSS) Program Action Plan.

FINANCIAL IMPACT:
Under SAHA's MTW Plan, Public Housing, Housing Choice Voucher Program, and Capital Fund resources are all combined into a single fund with full-funding flexibility. All MTW initiatives will continue to be funded from this single fund.

SUMMARY:
The U.S. Department of Housing and Urban Development (HUD) requires Public Housing Authorities (PHAs) to annually submit a five-year plan and an annual business plan, commonly referred to as the Agency Plan(s). Due to SAHA's designation as a Moving-to-Work (MTW) agency, the MTW Plan serves as SAHA's Agency Plan. The MTW Plan includes: the Public Housing Admissions and Continued Occupancy Plan (ACOP), the Housing Choice Voucher Administrative Plan (Admin Plan), and the Capital Fund Program Plan (CFP). The MTW Plan also describes SAHA's policies, programs, operations, strategies, and flexibilities in meeting the local housing needs and goals.

The 2021-2022 MTW Plan is an integral element of the agency's five-year Strategic Plan.

SAHA is on track to complete the 2021-2022 Agency Plan in time for April submission to HUD.

I. Proposed New MTW Activities: The Agency is proposing one new MTW Activity that establishes an alternative policy that excludes contributions in the household's annual income calculation. Specifically, contributions received directly by the household from a SAHA partner or contributions distributed to a household on behalf of a SAHA partner will not be included in the households annual income for purposes of calculating rent.
II. **Proposed Amendments to Existing Activities:** The Agency is not proposing any amendments to existing activities.

III. **Revisions to Housing Choice Voucher (HCV) Administrative Plan and Public Housing Admissions and Continued Occupancy Policy (ACOP)**

- **3.3.C MANDATORY DENIAL OF ASSISTANCE**
  - This section adds language to clarify that SAHA will screen applicants for drug-related criminal activity against the SAHA Screening Criteria Grid, which applies different lookback periods depending on the severity of the crime. Previous policy applied a lookback period of five years to all previous drug-related criminal activity.

- **3.3.C MANDATORY DENIAL OF ASSISTANCE AND 16.3.B FAMILY DEBTS TO SAHA**
  - These sections add language to allow SAHA to set up repayment agreements with applicant families who owe debts to SAHA.
  - The reason for these changes is to make the Housing Choice Voucher (HCV) Program and Public Housing Program more accessible to applicant families.

- **9.3.C/11.2.C INTERIM REEXAMINATIONS**
  - Language was added for 9.3.C in the ACOP and 11.2.C in the Admin Plan to specify that SAHA will not decrease income from child support payments or temporary employment until it has been decreased for three consecutive months.
  - This language is being added to align policy with current procedures; since child support payments and temporary employment can stop and start periodically, waiting for supporting documentation will reduce the administrative burden due to the changing nature of those payments.

IV. **Revisions to Housing Choice Voucher (HCV) ACOP Only**

- **3.3.D OTHER PERMITTED REASONS FOR DENIAL OF ADMISSION**
  - Language was removed that permitted SAHA to deny applicants based on one or more evictions for non-payment of rent within the past three years and a pattern of unsuitable past performance in meeting financial obligations. SAHA does not currently deny for those reasons and does not have the capability of screening for them.
  - SAHA wants to ensure that families have every opportunity to be admitted to the Public Housing Program and that any reasons for denial are fairly administered.

- **4.2.B ORGANIZATION OF THE WAITING LIST**
  - Beginning July 1, 2021, new Public Housing applicants will be added to a single, community-wide waiting list with all SAHA developments. Within that list, SAHA will designate subparts to easily identify who should be offered the next available unit (i.e., general occupancy developments, elderly/disabled developments, accessible units).
  - SAHA will maintain the current single, community-wide waiting list with preferred developments until exhausted.

- **4.3.B SELECTION METHOD**
○ This section adds Marie McGuire to the list of available properties under the 80/20 Elderly Preference. The 80/20 Elderly Preference maintains a 4-to-1 elderly to non-elderly/disabled residents population at select properties.
○ This section also removes the Time-Limited Working Household Referral Program Pilot preference and the Restorative Housing Pilot Program preference as the pilot programs and corresponding MTW activities are being closed out.
○ A new preference has been added to allow SAHA partner, Center for Health Care Services (CHCS), to refer disabled families to receive on-site supportive services, while residing in Victoria Plaza.

● 9.3.B CHANGES IN FAMILY AND HOUSEHOLD COMPOSITION
○ Language was added to this section to establish a timeframe of 10 business days for move-out of live-in aides, when the Head of Household (sole family member) passes away.

● 9.3.C INTERIM REEXAMINATIONS
○ This section was updated to state that SAHA will not process increases in income under $200.00 in earned and unearned monthly income, including new employment.

● 12.4.F TRANSFER PROCESSING
○ This section was updated to revert back to policy from 2017 and states that SAHA will not conduct an annual reexamination at transfer. This change will alleviate staff burden, which has increased since the policy was changed after 2017.

● 16.6.B RECORD RETENTION
○ Language was added to clarify that documents should be maintained in the file for at least three recertifications.

V. Revisions to Housing Choice Voucher (HCV) Administrative Plan Only

● 3.1.M LIVE-IN AIDE
○ Language was updated to specify that SAHA may approve a family to have more than one live-in aide, if it is determined to be a reasonable accommodation for a disability.

● 3.2.A INCOME AND ELIGIBILITY
○ Language was added to state that SAHA will be administering enhanced vouchers.
○ Enhanced vouchers provide certain tenant protections for low-income families who reside in private properties that are converting from HUD rental assistance programs.

● 3.3.D OTHER PERMITTED REASONS FOR DENIAL
○ Language was updated to clarify that SAHA will deny assistance for previous terminations (unrelated to drug-related criminal activity) up to three years prior to selection from the waitlist, rather than five years prior.
○ This aligns with policy in place for SAHA's Public Housing Program. The reason for this change is to make the HCV Program more accessible to our applicant families.

● 5.2.B DETERMINING FAMILY UNIT (VOUCHER) SIZE
○ Language was added to 5.2.B(4) to specify situations where anticipated children will be counted in the family voucher size; pregnancy will be counted upon submission of supporting documentation and adoptions will be counted after proof that the adoption is complete or awarded.

● 8.1.B ADDITIONAL LOCAL REQUIREMENTS
○ Language was added to this section from previous policy (Admin Plan FY17-18) to revert to allowing landlords an option to obtain verification of additional bedrooms through Bexar County Appraisal District (BCAD) or a licensed professional, versus requiring authorization only through BCAD.

● 8.2.F INSPECTION RESULTS AND REINSPECTIONS FOR UNITS UNDER HAP CONTRACT
○ Language was updated to reflect current practice that SAHA posts inspection results for the owner electronically to the Landlord Portal.

● 16.3.B INFORMAL REVIEWS
○ Language was added to 16.3.B(3)(c) to state that SAHA will provide an informal review upon the denial of a voucher term extension or suspension.
○ Even if SAHA is not required to by HUD to provide a review under this circumstance [24 CFR 982.555], permitting these informal reviews has often resulted in overturns and additional chances for the family.

● 18.6.C ORGANIZATION OF THE WAITING LIST
○ Language was updated to establish a single waiting list for the Project-Based Voucher (PBV) Program. While SAHA currently administers separate waiting lists for each PBV development, the consolidation will streamline waitlist management and reduce applicant wait times.

● 18.6.D SELECTION FROM THE WAITING LIST
○ Language was removed from this section to clarify that the St. Philip’s College Homeless Program is not being administered as a PBV program.

● 19.3.A SELECTION FROM THE WAITING LIST
○ Language was added to allow SAHA to assist Moderate Rehabilitation (Mod-Rehab) partners in converting to Rental Assistance Demonstration (RAD) if they express interest to SAHA.

VI. Family Self-Sufficiency (FSS) Action Plan
● The agency has developed a comprehensive FSS Action Plan that includes regulatory requirements and SAHA policy to cover all areas of the FSS Program.
● The proposed FY21-22 FSS Action Plan does not include substantive changes to the policy or procedures of the FSS Program, and instead allows SAHA to incorporate additional public input by including it within the MTW Plan.
● The proposed language of the FSS Action Plan complies with federal regulations and HUD recommendations, while also encouraging residents, community partners and the public to participate in the policymaking process.

VII. Capital Fund Program (CFP): General description of all planned Capital Fund Expenditures during the plan year

Housing Preservation Plans:
Public Housing: Over the next five (5) years, the Agency plans to invest approximately $17,000,000.00 in capital repairs to extend the useful life at 26 properties and approximately 2,253 housing units.

Beacon Communities: In the coming years, the Agency plans to invest approximately $26,000,000.00 in capital repairs to extend the useful life at 21 properties and approximately 2,901 units in the Beacon Communities portfolio.

**Housing Expansion Plans:**
New Construction: The agency is pursuing more than $1,000,000,000.00 in prospective housing developments to add approximately 6,000 units to the rental market in the next five (5) years.

**MTW TIMELINE**

No Proposed Changes to Existing MTW Activities and One Proposed New MTW Activity

FY2022-1: SAHA Partnerships Providing Basic Needs for Residents Through Income Exclusions

Establishes an alternative policy that excludes contributions in the household’s annual income calculation. Specifically, contributions received directly by the household from a SAHA partner or contributions distributed to a household on behalf of a SAHA partner will not be included in the household’s annual income for purposes of eligibility and calculating rent.

Contributions covered by this policy include regular monetary and nonmonetary contributions or gifts provided by SAHA partners. Examples include: (i) regular payment of a family’s bills (e.g., utilities, telephone, rent, credit cards, and car payments), (ii) cash or other liquid assets, and (iii) “in-kind” contributions, such as groceries and clothing provided to a family on a regular basis.

Contributions not covered by this policy include any regular monetary and nonmonetary contributions or gifts from persons not residing in the household, including from organizations not officially partnered with SAHA.
3.3.D OTHER PERMITTED REASONS FOR DENIAL OF ADMISSION

- Language was removed that permitted SAHA to deny applicants based on one or more evictions for non-payment of rent within the past three years and a pattern of unsuitable past performance in meeting financial obligations. Previous policy applied a lookback period of five years to all previous drug-related criminal activity.
3.3.C  MANDATORY DENIAL OF ASSISTANCE

16.3.B  FAMILY DEBTS TO SAHA

▪ These sections add language to allow SAHA to set up repayment agreements with applicant families who owe debts to SAHA.

▪ The reason for these changes is to make the Housing Choice Voucher (HCV) Program and Public Housing Program more accessible to applicant families.
9.3.C/11.2.C  INTERIM REEXAMINATIONS

- Language was added for 9.3.C in the ACOP and 11.2.C in the Admin Plan to specify that SAHA will not decrease income from child support payments or temporary employment until it has been decreased for three consecutive months.

- This language is being added to align policy with current procedures; since child support payments and temporary employment can stop and start periodically, waiting for supporting documentation will reduce the administrative burden due to the changing nature of those payments.

MINI-DOCUMENTARY HIGHLIGHTS THE IMPACT OF COVID-19
One year ago, the city shut down as the COVID-19 outbreak made its way to San Antonio. A lot was uncertain and more was unknown. Today, we celebrate perseverance and more than 4,500 elderly living in public housing communities receiving the vaccination through a partnership with San Antonio Metro Health and the San Antonio Fire Department. The San Antonio Housing Authority (SAHA) has launched a mini-documentary series of the agency’s response during the pandemic. Visit SAHA's Facebook page to watch the four episodes released in the series.

SOLAR PANELS AT BLANCO APARTMENTS
Ahead of Earth Day on April 22, 2021, the San Antonio Housing Authority (SAHA) celebrated the use of solar energy at public housing properties, a green initiative uncommon in the affordable housing industry, with the new installation of solar panels at Blanco Apartments on April 21, 2021. The new solar panels will offset 20 percent of the building costs and will be combined with efforts to upgrade lighting and systems to energy efficiency. Blanco Apartments is the third SAHA property to use solar energy. Solar panels are currently used at Fair Avenue Apartments to help offset costs, and solar panels are used at Mirabella Apartments for a hot water solar power system. The solar panels preheat water before it enters the water tank and helps conserve energy used to maintain the temperature. SAHA can pursue green initiatives through its unique involvement in Energy Performance Contracting (EPC), an innovative financing technique that uses cost savings from reduced energy consumption to repay the cost of installing energy conservation measures and allows the agency to invest those savings back into those communities in capital improvement projects. This innovative financing technique allows agencies to achieve energy savings without upfront capital expenses.
MOTHER'S DAY VIDEO CAMPAIGN

Mother's Day is a day to celebrate and honor motherhood and the influence these special women have in our lives. To help honor our moms who do it all, SAHA has invited SAHA residents to submit a 15-second, self-recorded video message describing why their mom is the best.

All video submissions will be shared in a video released on Mother's Day, and five moms will win a complimentary photo session.
MONEY MATTERS FIESTA FAIR
SAHA hosted a Money Matters Family Fiesta Fair on April 30, 2021, to connect residents to financial empowerment services and resources. The event included games, prizes, and snacks for attendees.

MENTAL HEALTH AWARENESS EVENTS
SAHA is hosting free painting sessions for Mental Health Awareness Month at various properties to offer residents the opportunity to paint their stress away. Residents have the option to paint outdoors in-person, or join virtually and follow along with a tutorial.

COMMUNITY ROOMS OPEN AS COOLING CENTERS
During a heat wave at the beginning of April when temperatures were expected to exceed 100 degrees, SAHA opened its public housing community rooms as cooling centers to offer families a place to cool down.

The effort is in conjunction with the City of San Antonio, which has also opened cooling centers across the city.
